The standards shall prescribe the grades in which instruction in oral health is provided to students.

(3)(a) A school district must first offer instruction that meets the health education content standards adopted under subsection (2) of this section no later than the 2025-2026 school year.

(b) Nothing in paragraph (a) of this subsection prevents a school district from first offering instruction that meets the requirements of section 1 of this 2021 Act at any time before the school year set forth in paragraph (a) of this subsection.
