By COMMITTEE ON EARLY CHILDHOOD

April 15

- 1 On page 1 of the printed bill, line 2, after “131A.365,” insert “183.459.”
- 2 After line 9, insert:
- 3 “Whereas a child’s brain makes one million new neural connections every second before the age
- 4 of five years, with early experiences shaping brain architecture; and
- 5 “Whereas complex neural, social and emotional development occurs before the age of five years,
- 6 making early childhood a critical window in which to eliminate disparities; and
- 7 “Whereas, for children who are six weeks of age to 12 years of age and for children through
- 8 17 years of age who have disabilities or safety concerns, access to continuous, high quality child
- 9 care, early care and education and out-of-school programs is critical to a child’s success in school
- 10 and life; and
- 11 “Whereas both early care and education and out-of-school programs during elementary school
- 12 predict higher academic achievement at 15 years of age; and
- 13 “Whereas all children are born full of potential, yet their family’s zip code, income and race and
- 14 ethnicity are powerful predictors of a child’s and family’s access to high quality child care and early
- 15 education; and
- 16 “Whereas child caring disproportionately impacts women, particularly women of color, through
- 17 child care shortages, lower wages as child care providers and staff and systemic discrimination; and
- 18 “Whereas an affordable, accessible system of high quality child care is necessary for the health
- 19 of Oregon’s economy because employers benefit when parents have safe, stable, culturally responsive
- 20 and developmentally appropriate care for their children that meets their needs; and
- 21 “Whereas families deserve to have centralized, coordinated access to a variety of eligible ser-
- 22 vices that build upon the single enrollment and eligibility ONE system; and
- 23 “Whereas the Oregon Early Learning System should provide developmentally appropriate, cul-
- 24 turally responsive, relevant and inclusive child care and early care and education for children and
- 25 families across race, ethnicity, language, geography, ability and income levels, as recommended by
- 26 Raise Up Oregon; and
- 27 “Whereas the health and stability of Oregon’s child care and early care and education workforce
- 28 is pivotal to any expansion of child care in Oregon and this workforce, predominately composed of
- 29 women of color, is structurally afflicted by low wages, limited or no health care and a severe lack
- 30 of retirement benefits; and
- 31 “Whereas Oregon must value the work of caregivers, especially Black and indigenous women,
- 32 women of color and immigrant women, and ensure that they receive the equitable pay and benefits
- 33 they deserve for their work, training and services that support workforce development and supports
- 34 offered to all provider types; and
- 35 “Whereas Oregon’s child care sector supports all providers, which are essential to offering a

1 mixed-delivery child care system and that include family, friend and neighbor child care, regulated
2 subsidy child care, registered family child care, certified family child care, certified child care cen-
3 ters, out-of-school programs, Oregon Prekindergarten, Head Start, Early Head Start, relief nurseries,
4 Healthy Families Oregon programs, privately subsidized child care programs and publicly funded
5 child care programs; and

6 “Whereas the Oregon Early Learning System must be informed by and accountable to the par-
7 ents and providers who most need it and who know the most about the system; and

8 “Whereas the partnership and collaboration between the Oregon Early Learning System, the
9 kindergarten through grade 12 system, the health system, the human services system and the hous-
10 ing system are critical to the success of every child; now, therefore,”.
