22 (3) [*No*] Civil liability [*shall*] **does not** accrue to an insurance carrier or any of its employees

32 (2) The employer of a driver is subject to the requirements and penalties under this section if  
33 the driver is an employee exempted from this section under ORS 806.210. If an employer is subject  
34 to this section, the registration of the employer's vehicles may be suspended as provided under ORS  
35 809.050.

36 (3) In addition to any other penalties under this section, violation of this section subjects the  
37 violator to suspension of driving privileges as provided under ORS 809.415.

38 (4) The offense described in this section, failure to make a future responsibility filing after [*an*  
39 *accident*] **a crash**, is a Class B traffic violation.

41 806.210. As appropriate, the driver or the owner, or both, are exempt from the requirement un-

11 owner's permission, expressed or implied, or was parked by a person who had been operating such  
12 vehicle without the owner's permission unless the vehicle at the time of its taking had been left  
13 unattended in a condition prohibited by a regulation or ordinance designed to prevent the operation  
14 of vehicles by unauthorized persons. This subsection only exempts owners of vehicles who qualify.

15 (7) At the time of the [accident] **crash**, the driver was operating a vehicle owned, operated or

18 **SECTION 27.** ORS 806.245 is amended to read:

19 806.245. A termination of the requirement to maintain a future responsibility filing does not re-

21 of Transportation shall terminate requirements for a future responsibility filing when any of the  
22 following occurs:

23 (1) The person on whose behalf the filing was made dies.

25 (3) A person on whose behalf the filing was made requests termination and either:

28 notifying the department regarding the correctness of proof of compliance with financial responsi-  
29 bility requirements provided under ORS 806.150.

30 (4) A person who was required to file under ORS 806.150 requests termination and the depart-  
31 ment determines either:

32 (a) That the person was in fact in compliance with financial responsibility requirements as of  
33 the date specified by the department by rule under ORS 806.150; or

34 (b) That the person reasonably and in good faith believed that the person was in compliance  
35 with financial responsibility requirements on the date specified by the department by rule under  
36 ORS 806.150.

37 (5) A person who was required to file because of failure to prove under ORS 806.210 that the  
38 person was in compliance with financial responsibility requirements requests termination and the

(e) The department may waive the demonstration under circumstances described in ORS 807.072.

(4) Any other examination or test, including demonstrations, that the department determines may be necessary to assist the department in establishing whether the applicant is eligible for a license under ORS 807.060 or whether the applicant is fit to operate a motor vehicle safely on the highways of this state. In any examination or test under this subsection, the department shall only conduct an investigation for facts relating directly to the ability of the applicant to operate a motor vehicle safely or other facts that are specifically required to show the fitness of the applicant for license.

**SECTION 29.** ORS 807.072 is amended to read:

807.072. (1) The Department of Transportation, by rule, may waive any examination, test or demonstration required under ORS 807.065 (1)(b) or 807.070 (2) or (3) if the department receives satisfactory proof that the person required to take the examination, test or demonstration has passed an examination, test or demonstration approved by the department that:

(2) The department, by rule, may waive the actual demonstration required under ORS 807.070 (3) for a person who is applying for a commercial driver license or a Class C license if the person holds a valid out-of-state license or applies for an Oregon license within one year of the expiration of a valid out-of-state license. A demonstration may be waived under this subsection only if the person has applied for the same driving privileges as those granted under the person's out-of-state license or for privileges granted by a lower class of license.

(3) The department may waive the actual demonstration required under ORS 807.070 for a person who is applying for a commercial driver license, an endorsement related to a commercial driver license or the removal of a restriction from a commercial driver license:

(a) If the person has been certified, as defined by rule, under ORS 807.080 or a similar statute of another jurisdiction as competent to safely exercise the driving privileges granted by a Class A commercial driver license, a Class B commercial driver license or a Class C commercial driver license; or

(b) Under circumstances, established by the department by rule, that establish the person's ability to drive without an actual demonstration.

(4) The department may issue a Class A farm endorsement without requiring additional tests to a person who has a Class C driver license if a farm employer or a self-employed farmer certifies to the department that the person is experienced in driving a vehicle that may be driven only by persons who have a Class A commercial driver license and the person's two-part driving record does not show either a *[traffic accident]* **crash** within two years of the date of application for the endorsement or a conviction for one of the following traffic crimes within five years of the date of application for the endorsement:

(a) Reckless driving, as defined in ORS 811.140.

(b) Driving while under the influence of intoxicants, as defined in ORS 813.010.

(e) Fleeing or attempting to elude a police officer, as defined in ORS 811.540.

1 not show either a conviction for a traffic crime specified in subsection (4) of this section within five  
 2 years of the date of application for the endorsement or a [*traffic accident*] **crash** within two years  
 3 of the date of application for the endorsement.

4 (6) The department by rule may establish other circumstances under which a farm endorsement  
 5 may be issued without an actual demonstration. The authority granted by this subsection includes,  
 6 but is not limited to, authority to adopt rules specifying circumstances under which the endorsement  
 7 may be granted to a person despite the appearance of [*traffic accidents*] **crashes** on the person's  
 8 record.

9 (7) The department by rule may waive the test required under ORS 807.070 (2) for a person who  
 10 applies for a motorcycle endorsement if the person:

11 (a) Holds a valid out-of-state driver license that authorizes the person to operate a motorcycle;  
 12 or

13 (b) Applies for a motorcycle endorsement within one year after the expiration date of a valid  
 14 out-of-state driver license that authorizes the person to operate a motorcycle.

15 (8) The department by rule may waive the actual demonstration required under ORS 807.070 (3)  
 16 for a person who is applying for a restricted motorcycle endorsement that only authorizes the person  
 17 to operate a motorcycle with more than two wheels.

18 **SECTION 30.** ORS 807.170 is amended to read:

19 807.170. (1) The Department of Transportation shall provide for the granting of driver license  
 20 endorsements in a manner consistent with this section.

21 (2) The department shall grant an endorsement to any person who complies with all of the fol-  
 22 lowing requirements:

23 (a) The person must hold a valid license other than a restricted Class C license issued under the  
 24 vehicle code.

25 (b) The person must successfully complete any tests and demonstrations referred to in ORS  
 26 807.070 that the department determines necessary to determine whether the applicant is qualified for  
 27 the type of endorsement sought. The actual demonstration required under ORS 807.070, if any, must  
 28 be performed in a vehicle that may be operated under the endorsement sought but that may not be  
 29 operated without the endorsement. Tests shall include, but are not limited to, those tests necessary  
 30 to determine whether the applicant:

31 (A) Has satisfactory knowledge of laws relating to operation under the type of endorsement  
 32 sought, defensive driving skills, the common causes of [*accidents*] **crashes** involving vehicles oper-  
 33 ated under the type of endorsement sought; and

34 (B) Can operate under the endorsement in a manner that will not jeopardize the safety of per-

36 (c) The appropriate fee under ORS 807.370 for the endorsement, including the fee for the Mo-  
 37 torcycle Safety Subaccount, must be paid.

38 (d) If the person is applying for a motorcycle endorsement, the person must comply with ORS  
 39 807.175.

40 (3) An endorsement granted under this section is subject to the following:

41 (a) It is part of the license upon which it is endorsed and is subject to any provisions applicable  
 42 to the endorsed license under the statutes of this state.

43 (b) It is valid only if the license endorsed is valid.

44 (c) The appropriate fee under ORS 807.370 must be paid upon renewal of the endorsement in  
 45 addition to any fee for renewal of the license endorsed.

1 (d) Except as provided under ORS 807.350 or as specifically provided under ORS 809.419, an  
 2 endorsement cannot be canceled, suspended or revoked separately from the license endorsed. When  
 3 an endorsed license is canceled, suspended or revoked, all endorsements on the license are subject  
 4 to the same cancellation, suspension or revocation as the license.

5 (4) Before the department may renew any license with a motorcycle endorsement, the applicant  
 6 shall pay the department the Motorcycle Safety Subaccount fee established under ORS 807.370 in  
 7 addition to any fee for renewal of the license.

8 **SECTION 31.** ORS 807.240 is amended to read:

9 807.240. The Department of Transportation shall provide for issuance of hardship driver permits  
 10 in a manner consistent with this section. A hardship driver permit grants the driving privileges  
 11 provided in this section or under the permit. Except as otherwise provided in this section, a hardship  
 12 driver permit is subject to the fees, provisions, conditions, prohibitions and penalties applicable to  
 13 a license. The following apply to a hardship driver permit:

14 (1) The department may only issue a permit to a person whose driving privileges under the ve-  
 15 hicle code have been suspended, or revoked under ORS 809.600 as a habitual offender.

16 (2) Except as provided in this section and ORS 813.520, the department may reinstate the privi-  
 17 lege to operate a motor vehicle of any person whose license to operate a motor vehicle has been  
 18 suspended, or revoked under ORS 809.600 as a habitual offender, by issuing the person a hardship  
 19 permit.

20 (3) To qualify for a hardship permit, a person must do all of the following:

21 (a) The person must submit to the department an application for the permit that demonstrates  
 22 the person's need for the permit.

23 (b) The person must present satisfactory evidence, as determined by the department by rule:

24 (A) That the person must operate a motor vehicle as a requisite of the person's occupation or  
 25 employment;

26 (B) That the person must operate a motor vehicle to seek employment or to get to or from a  
 27 place of employment;

28 (C) That the person must operate a motor vehicle to get to or from an alcohol or drug treatment  
 29 or rehabilitation program;

30 (D) That the person or a member of the person's immediate family requires medical treatment  
 31 on a regular basis and that the person must operate a motor vehicle in order that the treatment  
 32 may be obtained;

33 (E) That the person must operate a motor vehicle to get to or from a gambling addiction treat-  
 34 ment program; or

35 (F) That the person must operate a motor vehicle to provide necessary services to the person  
 36 or to a member of the person's family. The department shall determine by rule what constitutes  
 37 necessary services for purposes of this subparagraph. The rule shall include as necessary services,  
 38 but need not be limited to, grocery shopping, driving the person or the person's children to school,  
 39 driving to medical appointments and caring for elderly family members.

40 (c) If the person is applying for a permit because the person or a member of the person's im-  
 41 mediate family requires medical treatment on a regular basis, the person must present, in addition  
 42 to any evidence required by the department under paragraph (b) of this subsection, a statement  
 43 signed by a licensed physician or licensed nurse practitioner that indicates that the person or a  
 44 member of the person's immediate family requires medical treatment on a regular basis.

45 (d) The person must show that the person is not incompetent to drive nor a habitual incompe-

1 tent, reckless or criminally negligent driver as established by the person's driving record in this or  
 2 any other jurisdiction.

3 (e) The person must make a future responsibility filing.

4 (f) The person must submit any other information the department may require for purposes of  
 5 determining whether the person qualifies under this section and ORS 813.520.

6 (4) If the department finds that the person meets the requirements of this section and any ap-  
 7 plicable requirements under ORS 813.520, the department may issue the person a hardship permit,  
 8 valid for the duration of the suspension or revocation or for a shorter period of time established by  
 9 the department unless sooner suspended or revoked under this section. If the department issues the  
 10 permit for a period shorter than the suspension or revocation period, renewal of the permit shall  
 11 be on such terms and conditions as the department may require. The permit:

12 (a) Shall limit the holder to operation of a motor vehicle only during specified times.

13 (b) May bear other reasonable limitations relating to the hardship permit or the operation of a  
 14 motor vehicle that the department deems proper or necessary. The limitations may include any  
 15 limitation, condition or requirement. Violation of a limitation is punishable as provided by ORS  
 16 811.175 or 811.182.

17 (5) The department, upon receiving satisfactory evidence of any violation of the limitations of  
 18 a permit issued under this section, may suspend or revoke the hardship permit.

19 (6) The fee charged for application or issuance of a hardship driver permit is the hardship driver  
 20 permit application fee under ORS 807.370. The department may not refund the fee if the application  
 21 is denied or if the driver permit is suspended or revoked. The fee upon renewal of the driver permit  
 22 is the same fee as that charged for renewal of a license. The application fee charged under this  
 23 subsection is in addition to any fee charged for reinstatement of driving privileges under ORS  
 24 807.370.

25 (7) The department may issue a permit granting the same driving privileges as those suspended  
 26 or revoked or may issue a permit granting fewer driving privileges, as the department determines  
 27 necessary to assure safe operation of motor vehicles by the permit holder.

28 (8) The department may not issue a hardship permit to a person:

29 (a) Whose driver license or driver permit is suspended pursuant to ORS 25.750 to 25.783;

30 (b) Whose driving privileges are suspended pursuant to ORS 809.280 (2);

31 (c) That authorizes the person to operate a commercial motor vehicle;

32 (d) Whose suspension of driving privileges is based on a second or subsequent conviction of  
 33 driving while under the influence of intoxicants in violation of ORS 813.010 or the statutory  
 34 counterpart to ORS 813.010 in another jurisdiction and the suspension period is determined by ORS  
 35 809.428 (2)(b) or (c);

36 (e) Whose driving privileges are suspended for a conviction of assault in the second, third or  
 37 fourth degree if the person, within 10 years preceding application for the permit, has been convicted  
 38 of:

39 (A) Any degree of murder, manslaughter, criminally negligent homicide or assault resulting from  
 40 the operation of a motor vehicle;

41 (B) Reckless driving, as defined in ORS 811.140;

42 (C) Driving while under the influence of intoxicants, as defined in ORS 813.010;

43 (D) Failure to perform the duties of a driver involved in a [*collision*] **crash**, as described in ORS  
 44 811.700 or 811.705;

45 (E) Criminal driving while suspended or revoked, as defined in ORS 811.182;

1 (F) Fleeing or attempting to elude a police officer, as defined in ORS 811.540;

2 (G) Aggravated vehicular homicide, as defined in ORS 163.149; or

3 (H) Aggravated driving while suspended or revoked, as defined in ORS 163.196; or

4 (f) Whose driving privileges are suspended for a conviction of assault in the second, third or  
5 fourth degree:

6 (A) For a period of four years from the date the department suspends driving privileges if the  
7 person's driving privileges are suspended for conviction of assault in the second degree and the  
8 person was not incarcerated for that conviction.

9 (B) For a period of four years from the date the person is released from incarceration for the  
10 conviction if the person's driving privileges are suspended for conviction of assault in the second  
11 degree and the person was incarcerated for that conviction.

12 (C) For a period of two years from the date the department suspends driving privileges if the  
13 person's driving privileges are suspended for conviction of assault in the third degree and the person  
14 was not incarcerated for that conviction.

15 (D) For a period of two years from the date the person is released from incarceration for the  
16 conviction if the person's driving privileges are suspended for conviction of assault in the third de-  
17 gree and the person was incarcerated for that conviction.

18 (E) For a period of six months from the date the department suspends driving privileges if the  
19 person's driving privileges are suspended for conviction of assault in the fourth degree and the  
20 person is not incarcerated for that conviction.

21 (F) For a period of six months from the date the person is released from incarceration for the  
22 conviction if the person's driving privileges are suspended for conviction of assault in the fourth  
23 degree and the person was incarcerated for that conviction.

24 (9) A conviction arising out of the same episode as the current suspension is not considered a  
25 conviction for purposes of subsection (8)(e) of this section.

26 (10) A person's driving privileges under a hardship permit are subject to suspension or revoca-  
27 tion if the person does not maintain a good driving record, as defined by the administrative rules  
28 of the department, during the term of the permit.

29 **SECTION 32.** ORS 807.570 is amended to read:

30 807.570. (1) A person commits the offense of failure to carry a license or to present a license to  
31 a police officer if the person either:

32 (a) Drives any motor vehicle upon a highway in this state without a license, driver permit or  
33 out-of-state license in the person's possession; or

34 (b) Does not present and deliver such license or permit to a police officer when requested by

38 (2) This section does not apply to any person expressly exempted under ORS 807.020 from the  
39 requirement to have a driver license or driver permit.

40 (3) Except as provided in ORS 813.110, it is a defense to any charge under this section that the

42 person and was valid at the time of violation of this section.

43 (4) A police officer may detain a person arrested or cited for the offense described in this section  
44 only for such time as reasonably necessary to investigate and verify the person's identity.

45 (5) The offense described in this section, failure to carry a license or to present a license to a

1 police officer, is a Class C misdemeanor.

2 **SECTION 33.** ORS 807.720 is amended to read:

3 807.720. On or before the 15th day of each month, the Director of the Oregon Health Authority  
4 shall forward to the Department of Transportation a copy of the death record of any persons within

15 (a) Destroy the registration card and plates; and

16 (b) Issue a new registration card and new plates to the owner upon expiration of the period  
17 specified by the court in its order upon payment by the owner to the department of a restoration

27 (d) At the time of the [*accident*] **crash** that is the source of the judgment, the employee was  
28 driving, with the permission of the employer, a vehicle owned, operated or leased by the employer.

29 **SECTION 35.** ORS 809.050 is amended to read:

30 809.050. (1) If an employer is required to make future responsibility filings by ORS 806.200 and  
31 fails to make the filings, the Department of Transportation shall revoke or suspend the vehicle  
32 registration of vehicles owned by the employer until the owner:

33 (a) Makes [*accident*] **crash** reports as required under ORS 811.730; and

34 (b) Makes future responsibility filings.

35 (2) The department shall provide an opportunity for a hearing described under ORS 809.040 be-  
36 fore suspending or revoking registration under this section.

37 **SECTION 36.** ORS 809.380, as amended by section 3, chapter 10, Oregon Laws 2020 (first special  
38 session), is amended to read:

39 809.380. All of the following apply to a person whose driving privileges have been suspended:

40 (1) The period of suspension shall last as long as provided for that particular suspension by law.

41 (2) During the period of suspension, the person is not entitled to exercise any driving privileges  
42 in this state except as provided under this subsection. Unless otherwise specifically provided by law,  
43 a person whose driving privileges are suspended may obtain, if the person qualifies, a hardship  
44 driver permit under ORS 807.240, and exercise driving privileges under the driver permit.

45 (3) Upon expiration of the suspension, the Department of Transportation shall reissue, upon re-

1 quest of the person, the suspended driving privileges and any license or driver permit that evidences  
 2 the driving privileges. The reissuance shall be without requalification by the person except that the  
 3 department may require the person to furnish evidence satisfactory to the department that the per-  
 4 son is qualified to continue to exercise driving privileges in this state before the department reissues  
 5 the driving privileges.

6 (4) The department may not issue any driving privileges in contradiction to this section.

7 (5) If the person fails to surrender to the department any license or driver permit issued as ev-  
 8 idence of driving privileges that are suspended, the person is subject to the penalties under ORS  
 9 809.500.

10 (6) No reinstatement of suspended driving privileges will be made by the department until the  
 11 fee for reinstatement of suspended driving privileges established under ORS 807.370 is paid to or  
 12 waived by the department. The department may waive the reinstatement fee for any of the following  
 13 reasons:

14 (a) The suspension occurred under ORS 809.419 for failure to take an examination upon request  
 15 of the department under ORS 807.340.

16 (b) The suspension occurred under ORS 809.419 for failure to obtain required medical clearance  
 17 upon request of the department under ORS 807.070 or 807.090.

18 (c) The suspension occurred under ORS 809.419 for incompetence to drive a motor vehicle or  
 19 having a mental or physical condition or impairment that affects the person's ability to safely op-  
 20 erate a motor vehicle.

21 (d) The suspension occurred under ORS 809.419 upon notification by the superintendent of a  
 22 hospital under ORS 807.700 that a person should not drive.

23 (e) The suspension occurred under ORS 809.419 upon notification by a court under ORS 810.375  
 24 that a person charged with a traffic offense has been found guilty except for insanity.

25 (f) The department committed an error in issuing the suspension.

26 (g) The suspension was the result of an error committed by an insurance company in issuing or  
 27 failing to issue a certification of insurance or in canceling a certification of insurance filed with the  
 28 department under ORS 806.270.

29 (h) The department issued the suspension without error because the person failed to respond as  
 30 required under ORS 806.150 or to furnish proof of exemption under ORS 806.210 from the filing re-  
 31 quirement of ORS 806.200, but the department later determines that the person in fact was in com-  
 32 pliance with financial responsibility requirements as of the date specified by the department by rule  
 33 under ORS 806.150 or at the time of [*an accident*] **a crash** described in ORS 806.200.

34 (i) The department issued the suspension without error because the person was not in compli-  
 35 ance with financial responsibility requirements as of the date specified by the department by rule  
 36 under ORS 806.150 or at the time of [*an accident*] **a crash** described in ORS 806.200, but the de-  
 37 partment later determines that the person reasonably and in good faith believed that the person was  
 38 in compliance with financial responsibility requirements on the date specified by the department by  
 39 rule under ORS 806.150 or at the time of the [*accident*] **crash**.

40 (j) The suspension was the result of an error committed by an insurance company in notifying  
 41 the department regarding the correctness of proof of compliance with financial responsibility re-  
 42 quirements provided under ORS 806.150.

43 (k) The suspension occurred because the person failed to make future responsibility filings but  
 44 the department later determines that the reason for the failure was that the person was a military  
 45 reservist or a member of a national guard unit that was ordered to active military duty to a location

1 outside of the United States. The effective date of the military orders must be prior to the effective  
2 date of a suspension issued by the department for failure to make a future responsibility filing.

3 (L) The department issued the suspension without error because the department received a no-  
4 tice to suspend from a court under ORS 809.220, but the department later determines that the person  
5 in fact was in compliance with the requirements of the court prior to the effective date of the sus-  
6 pension.

7 **SECTION 37.** ORS 809.409 is amended to read:

8 809.409. (1)(a) Upon receipt of a record of conviction of an offense described in this section, the  
9 Department of Transportation shall revoke the driving privileges of the person convicted.

10 (b) A person is entitled to administrative review under ORS 809.440 of a revocation under this  
11 section.

12 (c) Except as otherwise provided in subsections (2) and (3) of this section, the revocation shall  
13 be for a period of one year from the date of revocation, except that the department may not rein-  
14 state driving privileges of any person whose privileges are revoked under this section until the  
15 person complies with future responsibility filings.

16 (2) The department shall take action under subsection (1) of this section upon receipt of a record  
17 of conviction of aggravated vehicular homicide or aggravated driving while suspended or revoked  
18 or any degree of murder, manslaughter or criminally negligent homicide resulting from the operation  
19 of a motor vehicle or assault in the first degree resulting from the operation of a motor vehicle,  
20 except that the provisions of this subsection do not apply to a person whose driving privileges are  
21 ordered revoked under ORS 809.235. A person whose driving privileges are revoked under this sub-  
22 section may apply for reinstatement of driving privileges:

23 (a) If the sentence for the crime for which the person's driving privileges were revoked, or any  
24 other crimes arising from the same criminal episode, includes incarceration, no sooner than 10 years  
25 from the date the person is released from incarceration for all crimes arising out of the same crim-  
26 inal episode; or

27 (b) If the sentence for the crime for which the person's driving privileges were revoked and any  
28 other crimes arising from the same criminal episode does not include incarceration, no sooner than  
29 10 years from the date the department revoked the privileges under this subsection.

30 (3)(a) Except as provided in paragraphs (b) and (c) of this subsection, the department shall take  
31 action under subsection (1) of this section upon receipt of a record of conviction of failure to per-  
32 form the duties of a driver to injured persons under ORS 811.705.

33 (b) The department shall revoke driving privileges under this subsection for a period of three  
34 years if the court indicates on the record of conviction that a person sustained serious physical in-  
35 jury, as defined in ORS 161.015, as a result of the [accident] **crash**. The person may apply for rein-  
36 statement of privileges three years after the date the person was released from incarceration, if the  
37 sentence includes incarceration. If the sentence does not include incarceration, the person may ap-  
38 ply for reinstatement three years from the date the revocation was imposed under this subsection.

39 (c) The department shall revoke driving privileges under this subsection for a period of five  
40 years if the court indicates on the record of conviction that a person was killed as a result of the  
41 [accident] **crash**. The person may apply for reinstatement of privileges five years after the date the  
42 person was released from incarceration, if the sentence includes incarceration. If the sentence does  
43 not include incarceration, the person may apply for reinstatement five years from the date the re-  
44 vocation was imposed under this subsection.

45 (4) The department shall take action under subsection (1) of this section upon receipt of a record

1 of conviction of any felony with a material element involving the operation of a motor vehicle.

2 **SECTION 38.** ORS 809.417 is amended to read:

3 809.417. (1)(a) The Department of Transportation shall suspend the driving privileges of a person  
4 who fails to file [*an accident*] a **crash** report required under ORS 811.725 or 811.730.

5 (b) A suspension under this subsection shall continue until the person files the required report  
6 or for five years from the date of suspension, whichever is sooner.

7 (2) The department shall suspend the driving privileges of any person for a period of time re-  
8 quired by this subsection if the person is involved in a motor vehicle [*accident*] **crash** at any time  
9 when the department determines the person has been operating a vehicle in violation of ORS  
10 806.010. A suspension under this subsection shall be for a period of one year except that the de-  
11 partment shall not reinstate any driving privileges to the person until the person complies with fu-  
12 ture responsibility filing requirements.

13 (3)(a) The department may suspend the driving privileges of a person who, while operating a  
14 motor vehicle, causes or contributes to [*an accident*] a **crash** resulting in death to any other person  
15 if the department has reason to believe that the person's incompetence, recklessness, criminal  
16 negligence or unlawful operation of the vehicle caused or contributed to the [*accident*] **crash**.

17 (b) A suspension under this subsection shall continue for a period determined by the department  
18 and shall be subject to any conditions the department determines to be necessary.

19 (c) The department may impose an immediate suspension of driving privileges of any person  
20 described in paragraph (a) of this subsection without hearing and without receiving a record of the  
21 conviction of the person of a crime if the department has reason to believe that the person may  
22 endanger people or property if the person's driving privileges are not immediately suspended. A  
23 suspension under this paragraph is subject to a post-imposition hearing under ORS 809.440.

24 **SECTION 39.** ORS 809.450 is amended to read:

25 809.450. (1) If a person whose driving privileges have been suspended for one of the reasons  
26 specified in subsection (2) of this section requests that the suspension be rescinded and specifies the  
27 reason for the request, the Department of Transportation may provide a hearing to determine the  
28 validity of the suspension. The department may rescind a suspension only as provided in subsection  
29 (3) of this section.

30 (2) This section applies to suspensions under:

31 (a) ORS 809.415 for failure to make a future responsibility filing;

32 (b) ORS 809.415 for false certification of financial responsibility requirements; and

33 (c) ORS 809.417 for involvement in a motor vehicle [*accident*] **crash** when the department has  
34 determined that the person has been operating a vehicle in violation of ORS 806.010.

35 (3) The granting of a hearing under this section [*shall*] **does** not stay the suspension. However,  
36 the department shall rescind the suspension if the department determines:

37 (a) That an error was committed by the department;

38 (b) That the person in fact was in compliance with financial responsibility requirements on the  
39 date specified by the department by rule under ORS 806.150;

40 (c) That an error was committed by an insurance company in notifying the department regarding  
41 the correctness of proof of compliance with financial responsibility requirements provided under  
42 ORS 806.150;

43 (d) That the person was not in compliance with financial responsibility requirements on the date  
44 specified by the department by rule under ORS 806.150 and the department also determines that the  
45 person reasonably and in good faith believed that the person was in compliance with financial re-

1 sponsibility requirements on the date the department sent the notice of verification and that the  
 2 person currently is in compliance with financial responsibility requirements; or

3 (e) That at the time of the [*accident*] **crash** the person reasonably and in good faith believed that  
 4 the person was in compliance with financial responsibility requirements and the person is currently  
 5 in compliance with financial responsibility requirements.

6 (4) The hearing shall be held in the manner provided in ORS 809.440.

7 **SECTION 40.** ORS 809.470 is amended to read:

8 809.470. (1) This section establishes when a judgment described under ORS 806.040 is settled for  
 9 purposes of ORS 809.130, 809.280 and 809.415. A judgment shall be deemed settled for the purposes  
 10 described if any of the following occur:

11 (a) Payments in the amounts established by the payment schedule under ORS 806.070 have been  
 12 credited upon any judgment or judgments rendered in excess of those amounts.

13 (b) Judgments rendered for less than the amounts established under ORS 806.070 have been  
 14 satisfied.

15 (c) The judgment creditor and the judgment debtor have mutually agreed upon a compromise  
 16 settlement of the judgment.

17 (d) The judgment against the judgment debtor has been discharged in bankruptcy.

18 (2) Payments made in settlement of any claims because of bodily injury, death or property  
 19 damage arising from the [*accident*] **crash** shall be credited in reduction of the amounts provided for  
 20 in subsection (1) of this section.

21 **SECTION 41.** ORS 809.480 is amended to read:

22 809.480. (1) The Department of Transportation may establish, by administrative rule, programs  
 23 for the improvement of the driving behavior of persons who drive in this state. The programs shall  
 24 have as their goal the reduction of traffic convictions and especially [*accidents*] **crashes**. The pro-  
 25 grams may include, but need not be limited to, letters, interviews and classroom instruction.

26 (2) The department may establish programs for persons who are under 18 years of age that are  
 27 different from programs for adults. Differences may include, but need not be limited to, differences  
 28 in criteria for entry into a program and differences in content.

29 (3) The department, under a program authorized by this section, may suspend driving privileges  
 30 based on any of the following:

31 (a) A person's record of convictions or [*accidents*] **crashes**.

32 (b) A person's failure or refusal to complete or comply with a requirement of a program estab-  
 33 lished by the department under this section.

34 (4) The department may charge a reasonable fee to participants in a driver improvement pro-  
 35 gram to cover costs of administration.

36 (5) Any suspension that the department stays under a driver improvement program in this sec-  
 37 tion shall continue for the full term of the suspension if a person fails to complete the program.  
 38 For purposes of reinstating driving privileges, the stay of a suspension under this section may not  
 39 be used to determine the length of time a person's driving privileges have been suspended if the  
 40 person does not successfully complete the program.

41 (6) A person is entitled to administrative review of a suspension imposed under this section if  
 42 based on a conviction.

43 **SECTION 42.** ORS 810.410 is amended to read:

44 810.410. (1) A police officer may arrest or issue a citation to a person for a traffic crime at any  
 45 place within or outside the jurisdictional authority of the governmental unit by which the police

1 officer is authorized to act as provided by ORS 133.235 and 133.310.

2 (2) A police officer may issue a citation to a person for a traffic violation at any place within  
 3 or outside the jurisdictional authority of the governmental unit by which the police officer is au-  
 4 thorized to act:

5 (a) When the traffic violation is committed in the police officer's presence; or

6 (b) When the police officer has probable cause to believe an offense has occurred based on a

 8 traffic violation.

9 (3) A police officer:

10 (a) [Shall] **May** not arrest a person for a traffic violation.

13 (c) **May** make an inquiry into circumstances arising during the course of a detention and in-  
 14 vestigation under paragraph (b) of this subsection that give rise to a reasonable suspicion of crimi-  
 15 nal activity.

16 (d) **May** make an inquiry to ensure the safety of the officer, the person stopped or other persons  
 17 present, including an inquiry regarding the presence of weapons.

18 (e) **May** request consent to search in relation to the circumstances referred to in paragraph (c)  
 19 of this subsection or to search for items of evidence otherwise subject to search or seizure under  
 20 ORS 133.535.

21 (f) **May** use the degree of force reasonably necessary to make the stop and ensure the safety of  
 22 the police officer, the person stopped or other persons present.

23 (g) **May** make an arrest of a person as authorized by ORS 133.310 (2) if the person is stopped  
 24 and detained pursuant to the authority of this section.

25 (4) When a police officer at the scene of a [*traffic accident*] **crash** has reasonable grounds, based  
 26 upon the police officer's personal investigation, to believe that a person involved in the [*accident*]  
 27 **crash** has committed a traffic offense in connection with the [*accident*] **crash**, the police officer may  
 28 issue to the person a citation for that offense. The authority under this subsection is in addition to  
 29 any other authority to issue a citation for a traffic offense.

30 **SECTION 43.** ORS 810.415 is amended to read:

31 810.415. A law enforcement officer who comes to the scene of a [*collision*] **crash** described in  
 32 ORS 811.700 may remove or direct the driver of a vehicle involved in the [*collision*] **crash** to remove  
 33 from the roadway any vehicle, cargo or debris resulting from the [*collision*] **crash**. A person acting  
 34 under the authority granted by this section is not liable for damage to a vehicle, cargo or debris  
 35 caused by reasonable efforts at removal.

36 **SECTION 44.** ORS 810.460 is amended to read:

42 (2) A police officer shall submit a report required by this section to the department within 10  
 43 days of the investigation or preparation of the report.

44 (3) Police reports submitted to the department under this section are subject to release or use  
 45 as provided under ORS 802.240.

**SECTION 45.** ORS 811.135 is amended to read:

811.135. (1) A person commits the offense of careless driving if the person drives any vehicle upon a highway or other premises described in this section in a manner that endangers or would be likely to endanger any person or property.

(2) The offense described in this section, careless driving, applies on any premises open to the public and is a Class B traffic violation unless commission of the offense contributes to *[an accident]* **a crash**. If commission of the offense contributes to *[an accident]* **a crash**, the offense is a Class A traffic violation.

(3) In addition to any other penalty imposed for an offense committed under this section, if the court determines that the commission of the offense described in this section contributed to the serious physical injury or death of a vulnerable user of a public way, the court shall:

(a) Impose a sentence that requires the person to:

(A) Complete a traffic safety course; and

(B) Perform between 100 and 200 hours of community service, notwithstanding ORS 137.129. The community service must include activities related to driver improvement and providing public education on traffic safety;

(A) Grant the person an extension based on good cause shown; or

(B) Order the penalties under subsection (3)(b) of this section.

 10 subsection are killed in the [collision] **crash** or are unconscious or otherwise incapable of receiving  
 11 the information. The requirement of this paragraph to remain at the scene of a [collision] **crash**  
 12 until a police officer arrives does not apply to a driver who needs immediate medical care, who  
 13 needs to leave the scene in order to secure medical care for another person injured in the  
 14 [collision] **crash** or who needs to leave the scene in order to report the [collision] **crash** to the au-  
 15 thorities, as long as the driver who leaves takes reasonable steps to return to the scene or to con-  
 16 tact the nearest police officer.

17 (g) If the driver discovers only after leaving the scene of the [collision] **crash** that the driver's  
 18 vehicle may have been involved in a [collision] **crash** that resulted in injury or death to any person,  
 19 shall as soon as reasonably possible make a good faith effort to comply with the requirements of this  
 20 subsection. The driver shall immediately contact 9-1-1 and provide to the dispatcher any requested  
 21 information described in paragraph (c) of this subsection and the location and approximate time of  
 22 the [collision] **crash**.

23 (2) As used in this section, "reason to believe" means that the driver is aware of a circumstance  
 24 that would cause a reasonable person to be aware of a substantial and unjustifiable risk that the  
 25 driver's vehicle has been in a [collision] **crash**. The risk must be of such nature or degree that  
 26 failure to be aware of it constitutes a gross deviation from the standard of care that a reasonable  
 27 person would observe in the situation.

28 (3)(a) Except as otherwise provided in paragraph (b) of this subsection, the offense described in  
 29 this section, failure to perform the duties of a driver to injured persons, is a Class C felony and is  
 30 applicable on any premises open to the public.

31 (b) Failure to perform the duties of a driver to injured persons is a Class B felony if a person  
 32 suffers serious physical injury as defined in ORS 161.015 or dies as a result of the [collision]  
 33 **crash**.

34 **SECTION 58.** ORS 811.707 is amended to read:

 14 that would cause a reasonable person to be aware of a substantial and unjustifiable risk that the  
 15 driver's vehicle has been in a *[collision]* **crash**. The risk must be of such nature or degree that

27 semitrailer combination of that length operate under a variance permit issued under ORS 818.200  
28 that states the conditions of operation.

29 (11) When an evaluation under subsection (9) of this section results in a determination that the

 22 summons and the complaint at the dwelling house or usual place of abode of the person to be served  
 23 to any person 14 years of age or older residing in the dwelling house or usual place of abode of the  
 24 person to be served. Where substituted service is used, the plaintiff, as soon as reasonably possible,  
 25 shall cause to be mailed by first class mail true copies of the summons and the complaint to the  
 26 defendant at defendant's dwelling house or usual place of abode, together with a statement of the  
 27 date, time, and place at which substituted service was made. For the purpose of computing any pe-  
 28 riod of time prescribed or allowed by these rules or by statute, substituted service shall be complete  
 29 upon the mailing.

30 D(2)(c) Office service. If the person to be served maintains an office for the conduct of business,  
 31 office service may be made by leaving true copies of the summons and the complaint at that office  
 32 during normal working hours with the person who is apparently in charge. Where office service is

 34 copies of the summons and the complaint to the defendant at defendant's dwelling house or usual

 36 most reasonably calculated to apprise the defendant of the existence and pendency of the action,  
 37 together with a statement of the date, time, and place at which office service was made. For the  
 38 purpose of computing any period of time prescribed or allowed by these rules or by statute, office  
 39 service shall be complete upon the mailing.

40 D(2)(d) Service by mail.

41 D(2)(d)(i) Generally. When service by mail is required or allowed by this rule or by statute, ex-

 43 and the complaint to the defendant by first class mail and by any of the following: certified, regis-  
 44 tered, or express mail with return receipt requested. For purposes of this paragraph, "first class  
 45 mail" does not include certified, registered, or express mail, return receipt requested, or any other

1 form of mail that may delay or hinder actual delivery of mail to the addressee.

2 D(2)(d)(ii) Calculation of time. For the purpose of computing any period of time provided by  
 3 these rules or by statute, service by mail, except as otherwise provided, shall be complete on the  
 4 day the defendant, or other person authorized by appointment or law, signs a receipt for the mailing,  
 5 or 3 days after the mailing if mailed to an address within the state, or 7 days after the mailing if  
 6 mailed to an address outside the state, whichever first occurs.

 32 the summons and the complaint to be mailed by first class mail to the defendant at the address at  
 33 which the mail agent receives mail for the defendant and to any other mailing address of the de-  
 34 fendant then known to the plaintiff, together with a statement of the date, time, and place at which  
 35 the plaintiff delivered the copies of the summons and the complaint. Service shall be complete on  
 36 the latest date resulting from the application of subparagraph D(2)(d)(ii) of this rule to all mailings  
 37 required by this subparagraph unless the defendant signs a receipt for the mailing, in which case  
 38 service is complete on the day the defendant signs the receipt.

39 D(3)(b) Corporations including, but not limited to, professional corporations and cooperatives.  
 40 Upon a domestic or foreign corporation:

41 D(3)(b)(i) Primary service method. By personal service or office service upon a registered agent,

 7 or, if the corporation is not authorized to transact business in this state at the time of the trans-  
 8 action, event, or occurrence upon which the action is based occurred, to the principal office or place  
 9 of business of the corporation; and, in any case, to any address the use of which the plaintiff knows  
 10 or has reason to believe is most likely to result in actual notice; or

 20 managed limited liability company) member of a limited liability company;

 26 State; or, if the limited liability company is not authorized to transact business in this state at the  
 27 time of the transaction, event, or occurrence upon which the action is based occurred, to the prin-  
 28 cipal office or place of business of the limited liability company; and, in any case, to any address the  
 29 use of which the plaintiff knows or has reason to believe is most likely to result in actual notice;  
 30 or  
 31 D(3)(c)(ii)(D) upon the Secretary of State in the manner provided in ORS 63.121.  
 32 D(3)(d) Limited partnerships. Upon a domestic or foreign limited partnership:  
 33 D(3)(d)(i) Primary service method. By personal service or office service upon a registered agent  
 34 or a general partner of a limited partnership; or by personal service upon any clerk on duty in the

 38 be served:  
 39 D(3)(d)(ii)(A) by substituted service upon the registered agent or general partner of a limited  
 40 partnership;  
 41 D(3)(d)(ii)(B) by personal service on any clerk or agent of the limited partnership who may be  
 42 found in the county where the action is filed;  
 43 D(3)(d)(ii)(C) by mailing in the manner specified in paragraph D(2)(d) of this rule true copies of  
 44 the summons and the complaint to: the office of the registered agent or to the last registered office  
 45 of the limited partnership, as shown by the records on file in the office of the Secretary of State;

1 or, if the limited partnership is not authorized to transact business in this state at the time of the  
 2 transaction, event, or occurrence upon which the action is based occurred, to the principal office  
 3 or place of business of the limited partnership; and, in any case, to any address the use of which the  
 4 plaintiff knows or has reason to believe is most likely to result in actual notice; or

5 D(3)(d)(ii)(D) upon the Secretary of State in the manner provided in ORS 70.040 or 70.045.

6 D(3)(e) General partnerships and limited liability partnerships. Upon any general partnership or  
 7 limited liability partnership by personal service upon a partner or any agent authorized by ap-  
 8 pointment or law to receive service of summons for the partnership or limited liability partnership.

 10 unincorporated association subject to suit under a common name by personal service upon an offi-  
 11 cer, managing agent, or agent authorized by appointment or law to receive service of summons for  
 12 the unincorporated association.

13 D(3)(g) State. Upon the state, by personal service upon the Attorney General or by leaving true  
 14 copies of the summons and the complaint at the Attorney General's office with a deputy, assistant,  
 15 or clerk.

16 D(3)(h) Public bodies. Upon any county; incorporated city; school district; or other public cor-  
 17 poration, commission, board, or agency by personal service or office service upon an officer, direc-  
 18 tor, managing agent, or attorney thereof.

19 D(3)(i) Vessel owners and charterers. Upon any foreign steamship owner or steamship charterer  
 20 by personal service upon a vessel master in the owner's or charterer's employment or any agent  
 21 authorized by the owner or charterer to provide services to a vessel calling at a port in the State  
 22 of Oregon, or a port in the State of Washington on that portion of the Columbia River forming a  
 23 common boundary with Oregon.

24 D(4) Particular actions involving motor vehicles.

25 D(4)(a) Actions arising out of use of roads, highways, streets, or premises open to the public;  
 26 service by mail.

27 D(4)(a)(i) In any action arising out of any [*accident, collision,*] **crash** or other event giving rise  
 28 to liability in which a motor vehicle may be involved while being operated upon the roads, highways,  
 29 streets, or premises open to the public as defined by law of this state if the plaintiff makes at least  
 30 one attempt to serve a defendant who operated such motor vehicle, or caused it to be operated on  
 31 the defendant's behalf, by a method authorized by subsection D(3) of this rule except service by mail  
 32 pursuant to subparagraph D(3)(a)(i) of this rule and, as shown by its return, did not effect service,  
 33 the plaintiff may then serve that defendant by mailings made in accordance with paragraph D(2)(d)  
 34 of this rule addressed to that defendant at:

35 D(4)(a)(i)(A) any residence address provided by that defendant at the scene of the [*accident*]  
 36 **crash;**

37 D(4)(a)(i)(B) the current residence address, if any, of that defendant shown in the driver records  
 38 of the Department of Transportation; and

39 D(4)(a)(i)(C) any other address of that defendant known to the plaintiff at the time of making the  
 40 mailings required by parts D(4)(a)(i)(A) and D(4)(a)(i)(B) of this rule that reasonably might result in  
 41 actual notice to that defendant. Sufficient service pursuant to this subparagraph may be shown if  
 42 the proof of service includes a true copy of the envelope in which each of the certified, registered,  
 43 or express mailings required by parts D(4)(a)(i)(A), D(4)(a)(i)(B), and D(4)(a)(i)(C) of this rule was  
 44 made showing that it was returned to sender as undeliverable or that the defendant did not sign the  
 45 receipt. For the purpose of computing any period of time prescribed or allowed by these rules or

1 by statute, service under this subparagraph shall be complete on the latest date on which any of the  
2 mailings required by parts D(4)(a)(i)(A), D(4)(a)(i)(B), and D(4)(a)(i)(C) of this rule is made. If the  
3 mailing required by part D(4)(a)(i)(C) of this rule is omitted because the plaintiff did not know of any  
4 address other than those specified in parts D(4)(a)(i)(A) and D(4)(a)(i)(B) of this rule, the proof of  
5 service shall so certify.

6 D(4)(a)(ii) Any fee charged by the Department of Transportation for providing address informa-  
7 tion concerning a party served pursuant to subparagraph D(4)(a)(i) of this rule may be recovered as  
8 provided in Rule 68.

9 D(4)(a)(iii) The requirements for obtaining an order of default against a defendant served pur-  
10 suant to subparagraph D(4)(a)(i) of this rule are as provided in Rule 69 E.

11 D(4)(b) Notification of change of address. Any person who; while operating a motor vehicle upon  
12 the roads, highways, streets, or premises open to the public as defined by law of this state; is in-  
13 volved in any [*accident, collision,*] **crash** or other event giving rise to liability shall forthwith notify  
14 the Department of Transportation of any change of the person's address occurring within 3 years  
15 after the [*accident, collision,*] **crash** or event.

16 D(5) Service in foreign country. When service is to be effected upon a party in a foreign country,  
17 it is also sufficient if service of true copies of the summons and the complaint is made in the manner  
18 prescribed by the law of the foreign country for service in that country in its courts of general ju-  
19 risdiction, or as directed by the foreign authority in response to letters rogatory, or as directed by  
20 order of the court. However, in all cases service shall be reasonably calculated to give actual notice.

21 D(6) Court order for service by other method. When it appears that service is not possible under  
22 any method otherwise specified in these rules or other rule or statute, then a motion supported by  
23 affidavit or declaration may be filed to request a discretionary court order to allow alternative  
24 service by any method or combination of methods that, under the circumstances, is most reasonably  
25 calculated to apprise the defendant of the existence and pendency of the action. If the court orders  
26 alternative service and the plaintiff knows or with reasonable diligence can ascertain the  
27 defendant's current address, the plaintiff must mail true copies of the summons and the complaint  
28 to the defendant at that address by first class mail and any of the following: certified, registered,  
29 or express mail, return receipt requested. If the plaintiff does not know, and with reasonable dili-  
30 gence cannot ascertain, the current address of any defendant, the plaintiff must mail true copies of  
31 the summons and the complaint by the methods specified above to the defendant at the defendant's  
32 last known address. If the plaintiff does not know, and with reasonable diligence cannot ascertain,  
33 the defendant's current and last known addresses, a mailing of copies of the summons and the  
34 complaint is not required.

35 D(6)(a) Non-electronic alternative service. Non-electronic forms of alternative service may in-  
36 clude, but are not limited to, publication of summons; mailing without publication to a specified post  
37 office address of the defendant by first class mail as well as either by certified, registered, or express  
38 mail with return receipt requested; or posting at specified locations. The court may specify a re-  
39 sponse time in accordance with subsection C(2) of this rule.

40 D(6)(a)(i) Alternative service by publication. In addition to the contents of a summons as de-  
41 scribed in section C of this rule, a published summons must also contain a summary statement of  
42 the object of the complaint and the demand for relief, and the notice required in subsection C(3) of  
43 this rule must state: "The motion or answer or reply must be given to the court clerk or adminis-  
44 trator within 30 days of the date of first publication specified herein along with the required filing  
45 fee." The published summons must also contain the date of the first publication of the summons.

1 D(6)(a)(i)(A) Where published. An order for publication must direct publication to be made in a  
 2 newspaper of general circulation in the county where the action is commenced or, if there is no such  
 3 newspaper, then in a newspaper to be designated as most likely to give notice to the person to be  
 4 served. The summons must be published four times in successive calendar weeks. If the plaintiff  
 5 knows of a specific location other than the county in which the action is commenced where publi-  
 6 cation might reasonably result in actual notice to the defendant, the plaintiff must so state in the  
 7 affidavit or declaration required by paragraph D(6) of this rule, and the court may order publication  
 8 in a comparable manner at that location in addition to, or in lieu of, publication in the county in  
 9 which the action is commenced.

10 D(6)(a)(ii) Alternative service by posting. The court may order service by posting true copies  
 11 of the summons and complaint at a designated location in the courthouse where the action is com-  
 12 menced and at any other location that the affidavit or declaration required by subsection D(6) of this  
 13 rule indicates that the posting might reasonably result in actual notice to the defendant.

14 D(6)(b) Electronic alternative service. Electronic forms of alternative service may include, but  
 15 are not limited to: e-mail; text message; facsimile transmission as defined in Rule 9 F; or posting to  
 16 a social media account. The affidavit or declaration filed with a motion for electronic alternative  
 17 service must include: verification that diligent inquiry revealed that the defendant’s residence ad-  
 18 dress, mailing address, and place of employment are unlikely to accomplish service; the reason that  
 19 plaintiff believes the defendant has recently sent and received transmissions from the specific e-mail  
 20 address or telephone or facsimile number, or maintains an active social media account on the spe-  
 21 cific platform the plaintiff asks to use; and facts that indicate the intended recipient is likely to  
 22 personally receive the electronic transmission. The certificate of service must verify compliance  
 23 with subparagraph D(6)(b)(i) and subparagraph D(6)(b)(ii) of this rule. An amended certificate of  
 24 service must be filed if it later becomes evident that the intended recipient did not personally re-  
 25 ceive the electronic transmission.

26 D(6)(b)(i) Content of electronic transmissions. If the court allows service by a specific electronic  
 27 method, the case name, case number, and name of the court in which the action is pending must be  
 28 prominently positioned where it is most likely to be read first. For e-mail service, those details must  
 29 appear in the subject line. For text message service, they must appear in the first line of the first  
 30 text. For facsimile service, they must appear at the top of the first page. For posting to a social  
 31 media account, they must appear in the top lines of the posting.

32 D(6)(b)(ii) Format of electronic transmissions. If the court allows alternative service by an  
 33 electronic method, the summons, complaint, and any other documents must be attached in a file  
 34 format that is capable of showing a true copy of the original document. When an electronic method  
 35 is incapable of transferring transmissions that exceed a certain size, the plaintiff must not exceed  
 36 those express size limitations. If the size of the attachments exceeds the limitations of any electronic  
 37 method allowed, then multiple sequential transmissions may be sent immediately after the initial  
 38 transmission to complete service.

39 D(6)(c) Unknown heirs or persons. If service cannot be made by another method described in  
 40 this section because defendants are unknown heirs or persons as described in Rule 20 I and J, the  
 41 action will proceed against the unknown heirs or persons in the same manner as against named  
 42 defendants served by publication and with like effect; and any unknown heirs or persons who have  
 43 or claim any right, estate, lien, or interest in the property in controversy at the time of the com-  
 44 mencement of the action, and who are served by publication, will be bound and concluded by the  
 45 judgment in the action, if the same is in favor of the plaintiff, as effectively as if the action had been

1 brought against those defendants by name.

2 D(6)(d) Defending before or after judgment. A defendant against whom service pursuant to this  
 3 subsection is ordered or that defendant’s representatives, on application and sufficient cause shown,  
 4 at any time before judgment will be allowed to defend the action. A defendant against whom service  
 5 pursuant to this subsection is ordered or that defendant’s representatives may, upon good cause  
 6 shown and upon any terms that may be proper, be allowed to defend after judgment and within one  
 7 year after entry of judgment. If the defense is successful, and the judgment or any part thereof has  
 8 been collected or otherwise enforced, restitution may be ordered by the court, but the title to  
 9 property sold upon execution issued on that judgment, to a purchaser in good faith, will not be af-  
 10 fected thereby.

11 D(6)(e) Defendant who cannot be served. Within the meaning of this subsection, a defendant  
 12 cannot be served with summons by any method authorized by subsection D(3) of this rule if service  
 13 pursuant to subparagraph D(4)(a)(i) of this rule is not applicable, the plaintiff attempted service of  
 14 summons by all of the methods authorized by subsection D(3) of this rule, and the plaintiff was un-  
 15 able to complete service; or if the plaintiff knew that service by these methods could not be ac-  
 16 complished.

17 **SECTION 85.** ORS 12.278 is amended to read:

18 12.278. (1) A civil action against a manufacturer of pickup trucks for injury or damage resulting  
 19 from a fire caused by rupture of a sidesaddle gas tank in a vehicle [*collision*] **crash**, including any  
 20 product liability action under ORS 30.900 to 30.920 and any action based on negligence, must be  
 21 commenced not later than two years after the injury or damage occurs. A civil action against a  
 22 manufacturer of pickup trucks for death resulting from a fire caused by rupture of a sidesaddle gas

 27 to ORS 12.115, 30.020, 30.905 or any other statute of limitation or statute of ultimate repose in  
 28 Oregon Revised Statutes.

29 (3) For the purposes of this section, “sidesaddle gas tank” means a gas tank mounted outside  
 30 of the side rails of the frame of a pickup truck.

31 **SECTION 86.** ORS 30.480 is amended to read:

32 30.480. (1) When a provider of volunteer transportation services who is qualified under sub-  
 33 section (3) of this section provides the services under the conditions described in subsection (4) of  
 34 this section to a person with a disability or a person who is 55 years of age or older, the liability  
 35 of the provider to the person for injury, death or loss arising out of the volunteer transportation  
 36 services shall be limited as provided in this section. When volunteer transportation services are  
 37 provided to five or fewer persons at one time, the liability of the provider of the volunteer trans-  
 38 portation services shall not exceed the greater of the amount of coverage under the terms of the  
 39 provider’s motor vehicle liability insurance policy, as described in ORS 806.080, or the amounts  
 40 specified in ORS 806.070 for future responsibility payments for:

1 services are provided, in any one [*accident*] **crash**.

2 (2) Notwithstanding the amount specified in subsection (1)(b) of this section by reference to ORS  
 3 806.070, if a qualified provider of transportation services provides the services to more than five  
 4 persons, but not more than 16, at one time who have disabilities or who are 55 years of age or older,  
 5 under the conditions described in subsection (4) of this section, the liability under subsection (1)(b)  
 6 of this section shall not exceed the greater of the amount of coverage under the terms of the  
 7 provider's motor vehicle liability insurance policy or \$300,000. The limitations on liability provided  
 8 by ORS 30.475, 30.480 and 30.485 do not apply when volunteer transportation services are provided

14 (c) The person who operates the vehicle in which transportation services are provided.

15 (4) The limitation on liability under subsections (1) and (2) of this section applies to a person  
 16 qualified under subsection (3) of this section only under the following conditions:

17 (a) If the person is an individual, the individual must hold a valid Oregon driver's license.

18 (b) The person must provide the transportation services on a nonprofit and voluntary basis.  
 19 However, this paragraph does not prohibit a sponsor of transportation services from reimbursing an  
 20 operator of a private motor vehicle providing the services for actual expenses incurred by the op-  
 21 erator. If an operator is paid, that operator is qualified only if operating as an emergency operator.

22 (c) The person providing the transportation services must not receive from the persons using the  
 23 services any substantial benefit in a material or business sense that is a substantial motivating  
 24 factor for the transportation. A contribution or donation to the provider of the transportation ser-  
 25 vices other than the operator of the motor vehicle or any mere gratuity or social amenity shall not  
 26 be a substantial benefit under this paragraph.

27 (d) Except as provided in paragraph (c) of this subsection, the transportation services must be  
 28 provided without charge to the person using the services.

29 (5) The amounts received by a person with a disability or a person 55 years of age or older  
 30 under the personal injury protection provisions of the insurance coverage of a person who qualifies  
 31 for the limitation on liability under this section shall not reduce the amount that the person may  
 32 recover under subsection (1) or (2) of this section.

33 (6) The liability of two or more persons whose liability is limited under this section, on claims  
 34 arising out of a single [*accident*] **crash**, [*shall*] **may** not exceed in the aggregate the amounts limited  
 35 by subsection (1) or (2) of this section.

36 (7) This section does not apply in the case of [*an accident*] **a crash** or injury if the [*accident*]  
 37 **crash** or injury was intentional on the part of any person who provided the transportation services  
 38 or if the [*accident*] **crash** or injury was caused by the person's gross negligence or intoxication. For  
 39 purposes of this subsection, gross negligence is negligence which is materially greater than the mere  
 40 absence of reasonable care under the circumstances, and which is characterized by conscious indif-  
 41 ference to or reckless disregard of the rights of others.

42 (8) For purposes of this section, a person has a disability if the person has a physical or mental  
 43 disability that for the person constitutes or results in a functional limitation to one or more of the  
 44 following activities: Self-care, ambulation, communication, transportation, education, socialization  
 45 or employment.

**SECTION 87.** ORS 31.760 is amended to read:

31.760. (1) In an action brought to recover damages for personal injuries arising out of a motor vehicle [*accident*] **crash**, evidence of the nonuse of a safety belt or harness may be admitted only to mitigate the injured party's damages. The mitigation [*shall*] **may** not exceed five percent of the amount to which the injured party would otherwise be entitled.

(2) Subsection (1) of this section [*shall*] **does** not apply to:

(a) Actions brought under ORS 30.900 to 30.920; or

(b) Actions to recover damages for personal injuries arising out of a motor vehicle [*accident*] **crash** when nonuse of a safety belt or harness is a substantial contributing cause of the [*accident*] **crash** itself.

**SECTION 88.** ORS 41.905 is amended to read:

41.905. A plea to a charge of a traffic crime, as defined in ORS 801.545, and any judgment of conviction or acquittal of a person charged with a traffic crime, as defined by ORS 801.545, are not admissible in the trial of a subsequent civil action arising out of the same [*accident*] **crash** or occurrence to prove or negate the facts upon which such judgment was rendered.

**SECTION 89.** ORS 98.854 is amended to read:

98.854. A tower may not:

(1)(a) Tow a motor vehicle from a parking facility unless there is a sign displayed in plain view at the parking facility that, using clear and conspicuous language, prohibits or restricts public parking at the parking facility.

(b) Notwithstanding paragraph (a) of this subsection, a tower may tow a motor vehicle from a parking facility with the prior consent of the owner or operator of the motor vehicle.

(2) Except as provided in ORS 98.853, tow a motor vehicle from a parking facility without first contacting the owner of the parking facility or the owner's agent at the time of the tow and receiving signed authorization from the owner of the parking facility or the owner's agent that the tower should tow the motor vehicle. The tower shall maintain for at least two years, in electronic or printed form, each signed authorization received under this subsection. Upon request, the tower shall provide a copy of the signed authorization to the owner or operator of the motor vehicle at no additional charge.

(3) Serve as an agent of an owner of a parking facility for the purpose of signing an authorization required by subsection (2) of this section.

(4) Tow a motor vehicle from a parking facility if the owner of the parking facility or the owner's agent is an employee of a tower.

(5) Charge more than a price disclosed under ORS 98.856 when towing a motor vehicle without the prior consent or authorization of the owner or operator of the motor vehicle.

(6) Charge more than an amount set under ORS 98.859 when towing a motor vehicle without the prior consent or authorization of the owner or operator of the motor vehicle.

(7) Solicit towing business at, or within 1,000 feet of, the site of a motor vehicle [*accident*] **crash**, unless the tower tows the motor vehicle pursuant to a prenegotiated payment agreement between the tower and a motor vehicle road service company.

(8) Park a tow vehicle within 1,000 feet of a parking facility for the purpose of monitoring the parking facility for towing business.

(9) Provide consideration to obtain the privilege of towing motor vehicles from a parking facility. For the purposes of this paragraph, the provision of:

(a) Signs by a tower under ORS 98.862 does not constitute consideration.

1 (b) Goods or services by a tower below fair market value constitutes consideration.

2 (10) Require, as a condition of towing a motor vehicle or releasing a motor vehicle or personal  
3 property in the motor vehicle, that the owner or operator of the motor vehicle agree not to dispute:

4 (a) The reason for the tow;

5 (b) The validity or amount of charges; or

6 (c) The responsibility of the tower for the condition of the motor vehicle or personal property  
7 in the motor vehicle.

8 (11) Hold a towed motor vehicle for more than 24 hours without:

9 (a) Taking an inventory of all personal property in the motor vehicle that is visible from the  
10 exterior of the motor vehicle; and

11 (b) Holding the personal property in the motor vehicle in a secure manner.

12 (12) Accept cash as a method of payment for towing services unless the tower provides exact  
13 change not later than the end of the business day following receipt of payment.

14 (13) Operate in a city or county without a license issued by the city or county if required by  
15 ORS 98.861.

16 (14) Charge for the hookup and release of a motor vehicle except as provided in ORS 98.853.

17 **SECTION 90.** ORS 105.932 is amended to read:

18 105.932. (1) Data on a motor vehicle event data recorder does not become the property of a  
19 lienholder or insurer solely because the lienholder or insurer succeeds in ownership of a motor ve-  
20 hicle as a result of [*an accident*] **a crash**.

21 (2) An insurer may not condition the payment or settlement of an owner's claim on the owner's  
22 consent to the retrieval or use of the data on a motor vehicle event data recorder.

23 (3) An insurer or lessor of a motor vehicle may not require an owner to consent to the retrieval  
24 or use of the data on a motor vehicle event data recorder as a condition of providing the policy or  
25 lease.

26 **SECTION 91.** ORS 105.935 is amended to read:

27 105.935. Data from a motor vehicle event data recorder may be retrieved or used without the  
28 consent of the owner after [*an accident*] **a crash** if a court orders the production of the data based  
29 on a determination by the court that:

30 (1) A law enforcement officer has probable cause to believe that a crime has occurred and that  
31 the data is relevant to the investigation of the crime; or

32 (2) A law enforcement officer, firefighter or emergency medical services provider seeks to obtain  
33 the data in the course of responding to or investigating an emergency involving the physical injury  
34 or the risk of physical injury to any person.

35 **SECTION 92.** ORS 105.938 is amended to read:

36 105.938. (1) Upon petition of an insurer, a court may order that data from a motor vehicle event  
37 data recorder be retrieved or used without the consent of the owner of the motor vehicle after [*an*  
38 *accident*] **a crash** if the court determines that:

39 (a) The owner has a policy of insurance for the vehicle issued by the insurer;

40 (b) The data is necessary to reconstruct the facts of the [*accident*] **crash** and to allow the  
41 insurer to determine the obligations of the insurer under the insurance policy; and

42 (c) An accurate and timely determination of the facts of the [*accident*] **crash** cannot occur  
43 without the data.

44 (2) A petition under this section must be filed in the circuit court for the county in which the  
45 owner of the motor vehicle resides. The petition must be served on the owner in the manner pro-

1 vided by ORCP 7 not less than 30 days before a hearing on the petition. An insurer filing a petition  
 2 under this section must pay the filing fee specified by ORS 21.135.

3 **SECTION 93.** ORS 133.405 is amended to read:

4 133.405. (1) As used in ORS 133.405 to 133.408:

5 (a) "Adjoining state" means California, Idaho, Nevada or Washington.

6 (b) "Certified peace officer" means a regularly employed peace officer or police officer from an  
 7 adjoining state, including a peace officer or police officer employed by a local government of an  
 8 adjoining state.

9 (c) "Employing agency" means a state or local government of an adjoining state that employs  
 10 a certified peace officer.

11 (2) A certified peace officer is a peace officer and a police officer in this state when:

12 (a) The officer enters this state in order to provide, or attempt to provide, law enforcement  
 13 services described in subsection (3) of this section; and

14 (b) The law enforcement services occur within 50 miles from the contiguous border of this state  
 15 and the adjoining state where the officer is employed.

16 (3) Subsection (2) of this section applies when the certified peace officer is providing, or at-  
 17 tempting to provide, law enforcement services under any of the following circumstances:

18 (a) In response to a request for law enforcement services initiated by an Oregon sheriff,  
 19 constable, marshal, municipal police officer or member of the Oregon State Police.

20 (b) In response to a reasonable belief that emergency law enforcement services are necessary  
 21 for the preservation of life, and a request for services by an Oregon sheriff, constable, marshal,  
 22 municipal police officer or member of the Oregon State Police for those services is impractical to  
 23 obtain under the circumstances. The certified police officer shall obtain authorization from an  
 24 Oregon law enforcement agency having jurisdiction over the location where the services were pro-  
 25 vided as soon as is practicable after the services have been provided.

26 (c) For the purpose of assisting an Oregon sheriff, constable, marshal, municipal police officer  
 27 or member of the Oregon State police in providing emergency service in response to criminal ac-  
 28 tivity, [*traffic accidents*] **crashes**, emergency incidents or other similar public safety problems,  
 29 whether or not an Oregon sheriff, constable, marshal, municipal police officer or member of the  
 30 Oregon State Police is present at the scene of the incident.

31 (4) When a certified peace officer exercises any authority granted under this section, the officer  
 32 shall submit, as soon as is practicable, a written report concerning the incident to the Oregon law  
 33 enforcement agency having primary jurisdiction over the geographic area in which the incident oc-  
 34 curred. Oregon law enforcement agencies may establish reporting procedures and forms to facilitate  
 35 reporting required under this subsection.

36 (5) This section does not confer upon a certified peace officer the authority to enforce Oregon  
 37 traffic or motor vehicle laws.

38 **SECTION 94.** ORS 135.857 is amended to read:

39 135.857. (1) In any criminal prosecution arising from an automobile [*collision*] **crash** in which the  
 40 defendant is alleged to have been under the influence of alcohol or drugs, the district attorney  
 41 prosecuting the action shall make available, upon request, to the victim or victims and to their at-  
 42 torney, or to the survivors of the victim or victims and to their attorney, all reports and information  
 43 disclosed to the defendant pursuant to ORS 135.805 to 135.873. The reports and information shall  
 44 be made available at the same time as it is disclosed to the defendant or as soon thereafter as may  
 45 be practicable after a request is received. The district attorney may impose such conditions as may

1 be reasonable and necessary to prevent the release of the reports and information from interfering  
 2 with the trial of the defendant. The district attorney may apply to the court for an order requiring  
 3 any person receiving such reports and information to comply with the conditions of release.

4 (2) For the purpose of this section:

5 (a) "District attorney" has that meaning given in ORS 131.005.

6 (b) "Drug" has that meaning given in ORS 475.005.

7 **SECTION 95.** ORS 146.113 is amended to read:

8 146.113. (1) A medical examiner or district attorney may, in any death requiring investigation,  
 9 order samples of blood or urine taken for laboratory analysis.

10 (2) When a death requiring an investigation as a result of a motor vehicle [*accident*] **crash** oc-  
 11 curs within five hours after the [*accident*] **crash** and the deceased is over 13 years of age, a blood  
 12 sample shall be taken and forwarded to an approved laboratory for analysis. Such blood or urine  
 13 samples shall be analyzed for the presence and quantity of ethyl alcohol, and if considered necessary  
 14 by the Chief Medical Examiner, the presence of cannabis or controlled substances.

15 (3) Laboratory reports of the analysis shall be made a part of the Chief Medical Examiner's and  
 16 district medical examiner's files.

17 **SECTION 96.** ORS 153.061 is amended to read:

18 153.061. (1) Except as provided in subsection (2) of this section, a defendant who has been issued  
 19 a violation citation must either:

20 (a) Make a first appearance by personally appearing in court at the time indicated in the sum-  
 21 mons; or

22 (b) Make a first appearance in the manner provided in subsection (3) of this section before the  
 23 time indicated in the summons.

24 (2) If a defendant is issued a violation citation for careless driving under ORS 811.135 on which  
 25 a police officer noted that the offense contributed to [*an accident*] **a crash** and that the cited offense  
 26 appears to have contributed to the serious physical injury or death of a vulnerable user of a public  
 27 way, the officer may not enter the amount of the presumptive fine on the summons and the defend-  
 28 ant must make a first appearance by personally appearing in court at the time indicated in the  
 29 summons.

30 (3)(a) Except as provided in this section, a defendant who has been issued a violation citation  
 31 may make a first appearance in the matter before the time indicated in the summons by one of the  
 32 following means:

33 (A) The defendant may submit to the court a written or oral request for a trial.

34 (B) The defendant may enter a plea of no contest by:

35 (i) Delivering to the court or a Central Violations Bureau established under ORS 153.806 the  
 36 summons and a check or money order in the amount of the presumptive fine set forth in the sum-  
 37 mons; or

38 (ii) Appearing by electronic or telephonic means and entering the plea with a Central Violations  
 39 Bureau established under ORS 153.806.

40 (b) The entry of a plea under paragraph (a)(B) of this subsection constitutes a waiver of trial  
 41 and consent to the entry of a judgment forfeiting the presumptive fine.

42 (c) A no contest plea under this subsection is not subject to the requirements of ORS chapter  
 43 135 relating to the entry of pleas and, upon receipt of the plea, the court may enter judgment  
 44 against the defendant without taking further evidence.

45 (4) The court may require that a defendant requesting a trial under subsection (3) of this section

1 deposit an amount equal to the presumptive fine established under ORS 153.019 and 153.020 or such  
 2 other amount as the court determines appropriate if the defendant has failed to appear in any court  
 3 on one or more other charges in the past. If the defendant does not deposit the amount specified  
 4 by the court, the defendant must personally appear in court at the time indicated in the summons.  
 5 The amount deposited by the defendant may be applied against any fine imposed by the court, and  
 6 any amount not so applied shall be refunded to the defendant at the conclusion of the proceedings.

7 (5) The court may require a defendant to appear personally in any case, or may require that all  
 8 defendants appear in specified categories of cases.

9 (6) If a defendant has entered a no contest plea in the manner provided in subsection (3) of this  
 10 section, and the court determines that the presumptive fine is not adequate by reason of previous  
 11 convictions of the defendant, the nature of the offense charged or other circumstances, the court  
 12 may require that a trial be held unless an additional fine amount is paid by the defendant before a  
 13 specified date. Notice of an additional fine amount under this subsection may be given to the de-  
 14 fendant by mail. In no event may the court require a total fine amount in excess of the maximum  
 15 fine established for the violation by statute.

16 (7) If a defendant fails to make a first appearance on a citation for a traffic violation, as defined  
 17 by ORS 801.557, fails to make a first appearance on a citation for a violation of ORS 471.430, or fails  
 18 to appear at any other subsequent time set for trial or other appearance, the driving privileges of  
 19 the defendant are subject to suspension under ORS 809.220.

20 **SECTION 97.** Section 2, chapter 330, Oregon Laws 2017, is amended to read:

21 **Sec. 2.** (1) The State Fish and Wildlife Commission shall adopt rules for the issuance of wildlife  
 22 salvage permits to persons desiring to recover, possess, use or transport, for the purpose of salvag-  
 23 ing game meat for human consumption, deer or elk that have been accidentally killed as a result  
 24 of a vehicle [*collision*] **crash**. The rules shall prescribe:

25 (a) The form and method for applying for and receiving a wildlife salvage permit; and

26 (b) Terms and conditions for the recovery, possession, use and transport of deer or elk pursuant  
 27 to a wildlife salvage permit.

28 (2) A person who recovers, possesses, uses or transports deer or elk pursuant to a wildlife sal-  
 29 vage permit shall promptly surrender the antlers of the deer or elk to the State Department of Fish  
 30 and Wildlife.

31 (3) A wildlife salvage permit may not be issued for the recovery, possession, use or transport  
 32 of crippled or helpless deer or elk killed pursuant to ORS 498.016, unless the person seeking the  
 33 wildlife salvage permit accidentally rendered the deer or elk crippled or helpless as the driver of a  
 34 motor vehicle involved in a [*collision*] **crash** with the deer or elk.

35 (4) The State of Oregon is not liable for any loss or damage arising out of the recovery, pos-  
 36 session, use, transport or consumption of deer or elk pursuant to a wildlife salvage permit.

37 **SECTION 98.** ORS 163.115 is amended to read:

38 163.115. (1) Except as provided in ORS 163.095, 163.118 and 163.125, criminal homicide consti-  
 39 tutes murder in the second degree:

40 (a) When it is committed intentionally, except that it is an affirmative defense that, at the time  
 41 of the homicide, the defendant was under the influence of an extreme emotional disturbance;

42 (b) When it is committed by a person, acting either alone or with one or more persons, who  
 43 commits or attempts to commit any of the following crimes and in the course of and in furtherance  
 44 of the crime the person is committing or attempting to commit, or during the immediate flight  
 45 therefrom, the person, or another participant if there be any, causes the death of a person other

1 than one of the participants:

- 5 (D) Escape in the first degree as defined in ORS 162.165;
- 6 (E) Kidnapping in the second degree as defined in ORS 163.225;
- 7 (F) Kidnapping in the first degree as defined in ORS 163.235;
- 8 (G) Robbery in the first degree as defined in ORS 164.415;
- 9 (H) Any felony sexual offense in the first degree defined in this chapter;
- 10 (I) Compelling prostitution as defined in ORS 167.017; or

11 (J) Assault in the first degree, as defined in ORS 163.185, and the victim is under 14 years of  
 12 age, or assault in the second degree, as defined in ORS 163.175 (1)(a) or (b), and the victim is under  
 13 14 years of age; or

14 (c) By abuse when a person, recklessly under circumstances manifesting extreme indifference to  
 15 the value of human life, causes the death of a child under 14 years of age or a dependent person,  
 16 as defined in ORS 163.205, and:

17 (A) The person has previously engaged in a pattern or practice of assault or torture of the vic-  
 18 tim or another child under 14 years of age or a dependent person; or

19 (B) The person causes the death by neglect or maltreatment.

20 (2) An accusatory instrument alleging murder by abuse under subsection (1)(c) of this section  
 21 need not allege specific incidents of assault or torture.

22 (3) It is an affirmative defense to a charge of violating subsection (1)(b) of this section that the  
 23 defendant:

24 (a) Was not the only participant in the underlying crime;

25 (b) Did not commit the homicidal act or in any way solicit, request, command, importune, cause  
 26 or aid in the commission thereof;

27 (c) Was not armed with a dangerous or deadly weapon;

28 (d) Had no reasonable ground to believe that any other participant was armed with a dangerous  
 29 or deadly weapon; and

30 (e) Had no reasonable ground to believe that any other participant intended to engage in con-  
 31 duct likely to result in death.

32 (4) It is an affirmative defense to a charge of violating subsection (1)(c)(B) of this section that  
 33 the victim was a dependent person who was at least 18 years of age and was under care or treat-  
 34 ment solely by spiritual means pursuant to the religious beliefs or practices of the dependent person  
 35 or the guardian of the dependent person.

36 (5) Except as otherwise provided in ORS 144.397 and 163.155:

37 (a) A person convicted of murder in the second degree, who was at least 15 years of age at the  
 38 time of committing the murder, shall be punished by imprisonment for life.

39 (b) When a defendant is convicted of murder in the second degree under this section, the court  
 40 shall order that the defendant shall be confined for a minimum of 25 years without possibility of  
 41 parole, release to post-prison supervision, release on work release or any form of temporary leave  
 42 or employment at a forest or work camp.

43 (c) At any time after completion of a minimum period of confinement pursuant to paragraph (b)  
 44 of this subsection, the State Board of Parole and Post-Prison Supervision, upon the petition of a  
 45 prisoner so confined, shall hold a hearing to determine if the prisoner is likely to be rehabilitated

1 within a reasonable period of time. The sole issue is whether the prisoner is likely to be rehabili-  
 2 tated within a reasonable period of time. At the hearing the prisoner has:

3 (A) The burden of proving by a preponderance of the evidence the likelihood of rehabilitation  
 4 within a reasonable period of time;

5 (B) The right, if the prisoner is without sufficient funds to employ an attorney, to be represented  
 6 by legal counsel, appointed by the board, at board expense; and

7 (C) The right to a subpoena upon a showing of the general relevance and reasonable scope of  
 8 the evidence sought, provided that any subpoena issued on behalf of the prisoner must be issued by  
 9 the State Board of Parole and Post-Prison Supervision pursuant to rules adopted by the board.

10 (d) If, upon hearing all of the evidence, the board, upon a unanimous vote of three board mem-  
 11 bers or, if the chairperson requires all voting members to participate, a unanimous vote of all voting  
 12 members, finds that the prisoner is capable of rehabilitation and that the terms of the prisoner's  
 13 confinement should be changed to life imprisonment with the possibility of parole, release to post-  
 14 prison supervision or work release, it shall enter an order to that effect and the order shall convert  
 15 the terms of the prisoner's confinement to life imprisonment with the possibility of parole, release  
 16 to post-prison supervision or work release and may set a release date. Otherwise, the board shall  
 17 deny the relief sought in the petition.

18 (e) If the board denies the relief sought in the petition, the board shall determine the date of the  
 19 subsequent hearing, and the prisoner may petition for an interim hearing, in accordance with ORS  
 20 144.285.

21 (f) The board's final order shall be accompanied by findings of fact and conclusions of law. The  
 22 findings of fact shall consist of a concise statement of the underlying facts supporting the findings  
 23 as to each contested issue of fact and as to each ultimate fact required to support the board's order.

24 (6) As used in this section:

25 (a) "Assault" means the intentional, knowing or reckless causation of physical injury to another  
 26 person. "Assault" does not include the causation of physical injury in a motor vehicle [*accident*]  
 27 **crash** that occurs by reason of the reckless conduct of a defendant.

28 (b) "Neglect or maltreatment" means a violation of ORS 163.535, 163.545 or 163.547 or a failure  
 29 to provide adequate food, clothing, shelter or medical care that is likely to endanger the health or  
 30 welfare of a child under 14 years of age or a dependent person. This paragraph is not intended to  
 31 replace or affect the duty or standard of care required under ORS chapter 677.

32 (c) "Pattern or practice" means one or more previous episodes.

33 (d) "Torture" means the intentional infliction of intense physical pain upon an unwilling victim  
 34 as a separate objective apart from any other purpose.

35 **SECTION 99.** ORS 181A.085 is amended to read:

36 181A.085. (1) The Department of State Police shall develop a targeted enforcement program for  
 37 the purpose of improving public safety. The program shall be designed to reduce fatalities, physical  
 38 injury and property damage by allocating patrol resources based on motor vehicle [*accident*] **crash**  
 39 data compiled by the Department of Transportation.

40 (2) The Department of Transportation shall provide motor vehicle [*accident*] **crash** data to the  
 41 Department of State Police for use in the targeted enforcement program.

42 (3) The Department of State Police may adopt rules to carry out the provisions of this section.

43 **SECTION 100.** ORS 336.802 is amended to read:

44 336.802. (1) The Department of Transportation, in consultation with the Transportation Safety  
 45 Committee, shall establish a curriculum for a traffic safety education course under ORS 336.800. The

1 curriculum shall establish standards for a course of instruction to be devoted to the study and  
2 practice of rules of the road, the safe and proper operation of motor vehicles, [*accident*] **crash** pre-  
3 vention and other matters that promote safe and lawful driving habits and reduce the need for in-  
4 tensive highway policing. The course shall include classroom instruction and on-street driving or

 3 the heirs or legal representative of the insured is legally entitled to recover as damages from the  
 4 owner or operator of an uninsured vehicle because of bodily injury sustained by the insured caused  
 5 by accident and arising out of the ownership, maintenance or use of the uninsured vehicle. Deter-  
 6 mination as to whether the insured, the insured's heirs or the insured's legal representative is le-  
 7 gally entitled to recover such damages, and if so, the amount thereof, shall be made by agreement  
 8 between the insured and the insurer, or, in the event of disagreement, may be determined by arbi-  
 9 tration as provided in subsection (10) of this section.

10 (b) No judgment against any person or organization alleged to be legally responsible for bodily  
 11 injury, except for proceedings instituted against the insurer as provided in this policy, shall be

10 (A) The identity of either the operator or the owner of the phantom vehicle cannot be ascer-  
 11 tained;

12 (B) The facts of the [*accident*] **crash** can be corroborated by competent evidence other than the  
 13 testimony of the insured or any person having an uninsured motorist claim resulting from the [*ac-*  
 14 *cident*] **crash**; and

15 (C) The insured or someone on behalf of the insured reported the [*accident*] **crash** within 72  
 16 hours to a police, peace or judicial officer, to the Department of Transportation or to the equivalent

 18 days thereafter a statement under oath that the insured or the legal representative of the insured  
 19 has a cause or causes of action arising out of the [*accident*] **crash** for damages against a person or

 22 a province of Canada.

23 (i) "Stolen vehicle" means an insured vehicle that causes bodily injury to the insured arising

38 (B) Are calculated without regard to the tort claims limitations of ORS 30.260 to 30.300; and

39 (C) Are no larger than benefits payable under the terms of the policy as provided in subsection  
 40 (7) of this section.

41 (k) "Uninsured vehicle," except as provided in paragraph (L) of this provision, means:

42 (A) A vehicle with respect to the ownership, maintenance or use of which there is no collectible  
 43 motor vehicle bodily injury liability insurance, in at least the amounts or limits prescribed for bodily  
 44 injury or death under ORS 806.070 applicable at the time of the [*accident*] **crash** with respect to any  
 45 person or organization legally responsible for the use of the vehicle, or with respect to which there

1 is collectible bodily injury liability insurance applicable at the time of the [*accident*] **crash** but the  
 2 insurance company writing the insurance denies coverage or the company writing the insurance  
 3 becomes voluntarily or involuntarily declared bankrupt or for which a receiver is appointed or be-  
 4 comes insolvent. It shall be a disputable presumption that a vehicle is uninsured in the event the  
 5 insured and the insurer, after reasonable efforts, fail to discover within 90 days from the date of the  
 6 [*accident*] **crash**, the existence of a valid and collectible motor vehicle bodily injury liability insur-  
 7 ance applicable at the time of the [*accident*] **crash**.

8 (B) A hit-and-run vehicle.

 14 sured or the heirs or legal representative of the insured is legally entitled to recover as damages  
 15 for bodily injury or death that is caused by accident and that arises out of owning, maintaining or  
 16 using an uninsured vehicle.

17 (L) "Uninsured vehicle" does not include:

18 (A) An insured vehicle, unless the vehicle is a stolen vehicle;

19 (B) Except as provided in paragraph (k)(E) of this subsection, a vehicle that is owned or oper-  
 20 ated by a self-insurer within the meaning of any motor vehicle financial responsibility law, motor  
 21 carrier law or any similar law;

22 (C) A vehicle that is owned by the United States of America, Canada, a state, a political sub-  
 23 division of any such government or an agency of any such government;

24 (D) A land motor vehicle or trailer, if operated on rails or crawler-treads or while located for  
 25 use as a residence or premises and not as a vehicle;

26 (E) A farm-type tractor or equipment designed for use principally off public roads, except while  
 27 actually upon public roads; or

28 (F) A vehicle owned by or furnished for the regular or frequent use of the insured or any  
 29 member of the household of the insured.

30 (m) "Vehicle" means every device in, upon or by which any person or property is or may be  
 31 transported or drawn upon a public highway, but does not include devices moved by human power  
 32 or used exclusively upon stationary rails or tracks.

33 (3) This coverage applies only to [*accidents*] **crashes** that occur on and after the effective date  
 34 of the policy, during the policy period and within the United States of America, its territories or  
 35 possessions, or Canada.

36 (4)(a) This coverage does not apply to bodily injury of an insured with respect to which the in-  
 37 sured or the legal representative of the insured shall, without the written consent of the insurer,  
 38 make any settlement with or prosecute to judgment any action against any person or organization  
 39 who may be legally liable therefor.

40 (b) This coverage does not apply to bodily injury to an insured while occupying a vehicle, other  
 41 than an insured vehicle, owned by, or furnished for the regular use of, the named insured or any  
 42 relative resident in the same household, or through being struck by the vehicle.

43 (c) This coverage does not apply so as to inure directly or indirectly to the benefit of any  
 44 workers' compensation carrier, any person or organization qualifying as a self-insurer under any  
 45 workers' compensation or disability benefits law or any similar law or the State Accident Insurance

1 Fund Corporation.

2 (d) This coverage does not apply with respect to underinsured motorist benefits unless:

3 (A) The limits of liability under any bodily injury liability insurance applicable at the time of  
4 the *[accident]* **crash** regarding the injured person have been exhausted by payment of judgments or  
5 settlements to the injured person or other injured persons;

6 (B) The described limits have been offered in settlement, the insurer has refused consent under  
7 paragraph (a) of this subsection and the insured protects the insurer’s right of subrogation to the  
8 claim against the tortfeasor;

9 (C) The insured gives credit to the insurer for the unrealized portion of the described liability  
10 limits as if the full limits had been received if less than the described limits have been offered in  
11 settlement, and the insurer has consented under paragraph (a) of this subsection; or

12 (D) The insured gives credit to the insurer for the unrealized portion of the described liability  
13 limits as if the full limits had been received if less than the described limits have been offered in  
14 settlement and, if the insurer has refused consent under paragraph (a) of this subsection, the insured  
15 protects the insurer’s right of subrogation to the claim against the tortfeasor.

16 (e) When seeking consent under paragraph (a) or (d) of this subsection, the insured shall allow  
17 the insurer a reasonable time in which to collect and evaluate information related to consent to the  
18 proposed offer of settlement. The insured shall provide promptly to the insurer any information that  
19 is reasonably requested by the insurer and that is within the custody and control of the insured.  
20 Consent will be presumed to be given if the insurer does not respond within a reasonable time. For  
21 purposes of this paragraph, a “reasonable time” is no more than 30 days from the insurer’s receipt  
22 of a written request for consent, unless the insured and the insurer agree otherwise.

23 (5)(a) As soon as practicable, the insured or other person making claim shall give to the insurer  
24 written proof of claim, under oath if required, including full particulars of the nature and extent of  
25 the injuries, treatment and other details entering into the determination of the amount payable  
26 hereunder. The insured and every other person making claim hereunder shall submit to examinations  
27 under oath by any person named by the insurer and subscribe the same, as often as may reasonably  
28 be required. Proof of claim shall be made upon forms furnished by the insurer unless the insurer fails  
29 to furnish the forms within 15 days after receiving notice of claim.

30 (b) Upon reasonable request of and at the expense of the insurer, the injured person shall submit  
31 to physical examinations by physicians, naturopathic physicians, physician assistants or nurse  
32 practitioners selected by the insurer and shall, upon each request from the insurer, execute au-  
33 thorization to enable the insurer to obtain medical reports and copies of records.

34 (6) If, before the insurer makes payment of loss hereunder, the insured or the legal represen-  
35 tative of the insured institutes any legal action for bodily injury against any person or organization  
36 legally responsible for the use of a vehicle involved in the *[accident]* **crash**, a copy of the summons  
37 and complaint or other process served in connection with the legal action shall be forwarded im-  
38 mediately to the insurer by the insured or the legal representative of the insured.

39 (7)(a) The limit of liability stated in the declarations as applicable to “each person” is the limit  
40 of the insurer’s liability for all damages because of bodily injury sustained by one person as the  
41 result of any one *[accident]* **crash** and, subject to the above provision respecting each person, the  
42 limit of liability stated in the declarations as applicable to “each *[accident]* **crash**” is the total limit  
43 of the company’s liability for all damages because of bodily injury sustained by two or more persons  
44 as the result of any one *[accident]* **crash**.

45 (b) Any amount payable under the terms of this coverage because of bodily injury sustained in

1 [an accident] a **crash** by a person who is an insured under this coverage shall be reduced by the  
 2 amount paid and the present value of all amounts payable on account of the bodily injury under any  
 3 workers' compensation law, disability benefits law or any similar law.

4 (c) Any amount payable under the terms of this coverage because of bodily injury sustained in  
 5 [an accident] a **crash** by a person who is an insured under this coverage shall be reduced by the  
 6 credit given to the insurer pursuant to subsection (4)(d)(C) or (D) of this section.

7 (d) The amount payable under the terms of this coverage may not be reduced by the amount of  
 8 liability proceeds offered, described in subsection (4)(d)(B) or (D) of this section, that has not been  
 9 paid to the injured person. If liability proceeds have been offered and not paid, the amount payable  
 10 under the terms of the coverage shall include the amount of liability limits offered but not accepted  
 11 due to the insurer's refusal to consent. The insured shall cooperate so as to permit the insurer to  
 12 proceed by subrogation or assignment to prosecute the claim against the uninsured motorist.

13 (8) [No] **An** action [shall] **may not** lie against the insurer unless, as a condition precedent  
 14 thereto, the insured or the legal representative of the insured has fully complied with all the terms  
 15 of this policy.

16 (9)(a) With respect to bodily injury to an insured:

17 (A) While occupying a vehicle owned by a named insured under this coverage, the insurance  
 18 under this coverage is primary.

19 (B) While occupying a vehicle not owned by a named insured under this coverage, the insurance  
 20 under this coverage shall apply only as excess insurance over any primary insurance available to  
 21 the occupant that is similar to this coverage, and this excess insurance coverage shall then apply  
 22 only to the sums that the insured or the heirs or legal representative of the insured is legally enti-  
 23 tled to recover as damages for bodily injury or death that is caused by accident and that arises out  
 24 of owning, maintaining or using an uninsured vehicle.

25 (b) With respect to bodily injury to an insured while occupying any motor vehicle used as a  
 26 public or livery conveyance, the insurance under this coverage shall apply only as excess insurance  
 27 over any other insurance available to the insured that is similar to this coverage, and this excess  
 28 insurance coverage shall then apply only to the amount by which the applicable limit of liability of  
 29 this coverage exceeds the sum of the applicable limits of liability of all other insurance.

30 (10) If any person making claim hereunder and the insurer do not agree that the person is le-  
 31 gally entitled to recover damages from the owner or operator of an uninsured vehicle because of  
 32 bodily injury to the insured, or do not agree as to the amount of payment that may be owing under  
 33 this coverage, then, in the event the insured and the insurer elect by mutual agreement at the time  
 34 of the dispute to settle the matter by arbitration, the arbitration shall take place as described in  
 35 ORS 742.505. Any judgment upon the award rendered by the arbitrators may be entered in any court  
 36 having jurisdiction thereof, provided, however, that the costs to the insured of the arbitration pro-  
 37 ceeding do not exceed \$100 and that all other costs of arbitration are borne by the insurer.  
 38 "Costs" as used in this provision does not include attorney fees or expenses incurred in the pro-  
 39 duction of evidence or witnesses or the making of transcripts of the arbitration proceedings. The  
 40 person and the insurer each agree to consider themselves bound and to be bound by any award made  
 41 by the arbitrators pursuant to this coverage in the event of such election. At the election of the  
 42 insured, the arbitration shall be held:

43 (a) In the county and state of residence of the insured;

44 (b) In the county and state where the insured's cause of action against the uninsured motorist  
 45 arose; or

1 (c) At any other place mutually agreed upon by the insured and the insurer.

2 (11) In the event of payment to any person under this coverage:

3 (a) The insurer shall be entitled to the extent of the payment to the proceeds of any settlement  
4 or judgment that may result from the exercise of any rights of recovery of the person against any  
5 uninsured motorist legally responsible for the bodily injury because of which payment is made;

6 (b) The person shall hold in trust for the benefit of the insurer all rights of recovery that the  
7 person shall have against such other uninsured person or organization because of the damages that  
8 are the subject of claim made under this coverage, but only to the extent that the claim is made or  
9 paid herein;

10 (c) If the insured is injured by the joint or concurrent act or acts of two or more persons, one  
11 or more of whom is uninsured, the insured shall have the election to receive from the insurer any  
12 payment to which the insured would be entitled under this coverage by reason of the act or acts  
13 of the uninsured motorist, or the insured may, with the written consent of the insurer, proceed with  
14 legal action against any or all persons claimed to be liable to the insured for the injuries. If the  
15 insured elects to receive payment from the insurer under this coverage, then the insured shall hold  
16 in trust for the benefit of the insurer all rights of recovery the insured shall have against any other  
17 person, firm or organization because of the damages that are the subject of claim made under this  
18 coverage, but only to the extent of the actual payment made by the insurer;

19 (d) The person shall do whatever is proper to secure and shall do nothing after loss to prejudice  
20 such rights;

21 (e) If requested in writing by the insurer, the person shall take, through any representative not  
22 in conflict in interest with the person, designated by the insurer, such action as may be necessary  
23 or appropriate to recover payment as damages from such other uninsured person or organization,  
24 such action to be taken in the name of the person, but only to the extent of the payment made  
25 hereunder. In the event of a recovery, the insurer shall be reimbursed out of the recovery for ex-  
26 penses, costs and attorney fees incurred by the insurer in connection therewith; and

27 (f) The person shall execute and deliver to the insurer any instruments and papers as may be  
28 appropriate to secure the rights and obligations of the person and the insurer established by this  
29 provision.

30 (12)(a) The parties to this coverage agree that no cause of action shall accrue to the insured  
31 under this coverage unless within two years from the date of the [accident] **crash**:

32 (A) Agreement as to the amount due under the policy has been concluded;

33 (B) The insured or the insurer has formally instituted arbitration proceedings;

34 (C) The insured has filed an action against the insurer; or

35 (D) Suit for bodily injury has been filed against the uninsured motorist and, within two years  
36 from the date of settlement or final judgment against the uninsured motorist, the insured has  
37 formally instituted arbitration proceedings or filed an action against the insurer.

38 (b) For purposes of this subsection:

39 (A) "Date of settlement" means the date on which a written settlement agreement or release is  
40 signed by an insured or, in the absence of these documents, the date on which the insured or the  
41 attorney for the insured receives payment of any sum required by the settlement agreement. An  
42 advance payment as defined in ORS 31.550 shall not be deemed a payment of a settlement for pur-  
43 poses of the time limitation in this subsection.

44 (B) "Final judgment" means a judgment that has become final by lapse of time for appeal or by  
45 entry in an appellate court of an appellate judgment.

3       (1) “Covered motor vehicle” means a private passenger motor vehicle or a self-propelled mobile  
4 home that is owned by the named insured for which a premium has been paid for coverage under  
5 this section and ORS 742.510.

6       (2) “Insured vehicle” means a motor vehicle described in the declarations for which a specific  
7 premium charge indicates that underinsured motorists coverage is afforded but the term “insured  
8 vehicle” shall not include a vehicle while used as a public or livery conveyance.

9       (3) “Private passenger motor vehicle” means a four-wheel passenger or station wagon type motor

12 used for wholesale or retail delivery.

13       (4)(a) “Uninsured vehicle” means:

14       (A) A vehicle with respect to the ownership, maintenance or use of which there is no collectible

16 applicable at the time of the [*accident*] **crash** with respect to any person or organization legally  
17 responsible for the use of such vehicle, or with respect to which there is such collectible insurance  
18 applicable at the time of the [*accident*] **crash** but the insurance company writing the same denies  
19 coverage thereunder or, within two years of the date of the [*accident*] **crash**, such company writing  
20 the same becomes voluntarily or involuntarily declared bankrupt or for which a receiver is ap-  
21 pointed or becomes insolvent. It shall be a disputable presumption that a vehicle is uninsured in the  
22 event the insured and the insurer, after reasonable efforts, fail to discover within 90 days from the  
23 date of the [*accident*] **crash**, the existence of valid and collectible property damage insurance ap-  
24 plicable at the time of the [*accident*] **crash**.

25       (B) A hit-and-run vehicle as defined in subsection (5) of this section.

26       (C) A phantom vehicle as defined in subsection (5) of this section.

30 vehicle financial responsibility law, motor carrier law or any similar law;

32 subdivision of any such government or an agency of any of the foregoing;

33       (D) A land motor vehicle or trailer, if operated on rails or crawler-treads or while located for  
34 use as a residence or premises and not as a vehicle;

35       (E) A farm-type tractor or equipment designed for use principally off public roads, except while  
36 actually upon public roads; or

37       (F) A vehicle owned by or furnished for the regular or frequent use of the insured or any

39       (5) As used in this section:

40       (a) “Hit-and-run vehicle” means a vehicle that causes damage to the covered vehicle of an in-  
41 sured arising out of physical contact between the vehicles, provided:

42       (A) There cannot be ascertained the identity of either the operator or the owner of such hit-  
43 and-run vehicle;

44       (B) The insured or someone on behalf of the insured reports the [*accident*] **crash** within 72 hours  
45 to a police, peace or judicial officer, to the Department of Transportation or to the equivalent de-

1 partment in the state where the [accident] **crash** occurred, and files with the insurer within 30 days  
 2 thereafter a statement under oath that the insured or the legal representative of the insured has a  
 3 cause or causes of action arising out of such [accident] **crash** for damages against a person or per-  
 4 sons whose identity is unascertainable, and setting forth the facts in support thereof; and

5 (C) At the insurer’s request, the insured or the legal representative of the insured makes avail-  
 6 able for inspection the vehicle which was insured at the time of the [accident] **crash**.

7 (b) “Phantom vehicle” means a vehicle that causes damage to the covered vehicle of an insured,  
 8 although there is no physical contact between the vehicles, provided:

 10 tom vehicle;

11 (B) The facts of such [accident] **crash** can be corroborated by competent evidence other than the  
 12 testimony of the insured or any passenger in the insured motor vehicle; and

13 (C) The insured or someone on behalf of the insured shall have reported the [accident] **crash**  
 14 within 72 hours to a police, peace or judicial officer, to the Department of Transportation or to the  
 15 equivalent department in the state where the [accident] **crash** occurred, and shall have filed with  
 16 the insurer within 30 days thereafter a statement under oath that the insured or the legal repre-  
 17 sentative of the insured has a cause or causes of action arising out of such [accident] **crash** for  
 18 damages against a person or persons whose identity is unascertainable, and setting forth the facts  
 19 in support thereof.

20 **SECTION 115.** ORS 742.510 is amended to read:

 23 erage for property damage to a vehicle of the insured caused by an uninsured vehicle. Coverage  
 24 offered under this section shall be at least the amount prescribed to meet the requirements of ORS  
 25 806.070 for insurance for injury to or destruction of the property of others in any one [accident]  
 26 **crash**.

27 (2) A policy with the coverage described in this section does not cover the first \$300 of property  
 28 damage to the covered motor vehicle as the result of [an accident] **a crash** with a hit-and-run vehicle  
 29 or phantom vehicle. In all other cases the first \$200 damage is not covered.

30 (3) Coverage for property damage described in this section:

31 (a) Applies only to the amount of damages the insured may be legally entitled to recover.

32 (b) Does not include coverage for loss of use of the covered vehicle.

33 **SECTION 116.** ORS 742.530 is amended to read:

34 742.530. (1) The insurer may exclude from the coverage for personal injury protection benefits  
 35 any injured person who:

36 (a) Intentionally causes self-injury;

37 (b) Is participating in any prearranged or organized racing or speed contest or practice or  
 38 preparation for any such contest; or

39 (c) Willfully conceals or misrepresents any material fact in connection with a claim for personal  
 40 injury protection benefits.

41 (2) The insurer may exclude from the coverage for the benefits required by ORS 742.524 (1)(b)  
 42 and (c) any person injured as a pedestrian in [an accident] **a crash** outside this state, other than the  
 43 insured person or a member of that person’s family residing in the same household.

44 **SECTION 117.** ORS 742.534 is amended to read:

45 742.534. (1) Except as provided in ORS 742.544, every authorized motor vehicle liability insurer

1 whose insured is or would be held legally liable for damages for injuries sustained in a motor vehicle  
 2 [*accident*] **crash** by a person for whom personal injury protection benefits have been furnished by  
 3 another such insurer, or for whom benefits have been furnished by an authorized health insurer,  
 4 shall reimburse such other insurer for the benefits it has so furnished if it has requested such re-  
 5 imbursement, has not given notice as provided in ORS 742.536 that it elects recovery by lien in ac-  
 6 cordance with that section and is entitled to reimbursement under this section by the terms of its  
 7 policy. Reimbursement under this subsection, together with the amount paid to injured persons by  
 8 the liability insurer, shall not exceed the limits of the policy issued by the insurer.

9 (2) In calculating such reimbursement, the amount of benefits so furnished shall be diminished  
 10 in proportion to the amount of negligence attributable to the person for whom benefits have been  
 11 so furnished, and the reimbursement shall not exceed the amount of damages legally recoverable by  
 12 the person.

13 (3) Disputes between insurers as to such issues of liability and the amount of reimbursement  
 14 required by this section shall be decided by arbitration.

15 (4) Findings and awards made in such an arbitration proceeding are not admissible in any action  
 16 at law or suit in equity.

17 (5) If an insurer does not request reimbursement under this section for recovery of personal in-  
 18 jury protection payments, then the insurer may only recover personal injury protection payments  
 19 under the provisions of ORS 742.536 or 742.538.

20 **SECTION 118.** ORS 742.536 is amended to read:

21 742.536. (1) If an authorized motor vehicle liability insurer has furnished personal injury pro-  
 22 tection benefits, or an authorized health insurer has furnished benefits, to a person who was injured  
 23 in a motor vehicle [*accident*] **crash** and the injured person makes a claim, or brings legal action, for  
 24 damages for injuries against any other person, the injured person shall give notice of the claim or  
 25 legal action to the insurer by personal service or by registered or certified mail. Service of a copy  
 26 of the summons and complaint or copy of other process served in connection with the legal action  
 27 is sufficient notice to the insurer, in which case a return showing service of the notice must be filed  
 28 with the clerk of the court but is not a part of the record except to give notice.

29 (2) An insurer may elect to seek reimbursement as provided in this section for benefits the  
 30 insurer has furnished to the injured person out of any recovery the injured person obtains from a  
 31 claim or legal action if the insurer has not been a party under ORS 742.534 to an interinsurer re-  
 32 imbursement proceeding with respect to benefits the insurer furnished to the injured person and the  
 33 insurer is entitled by the terms of the insurer's policy to the benefit of this section. The insurer shall  
 34 give written notice of an election under this subsection by personal service or by registered or  
 35 certified mail within 30 days after receiving the notice or knowledge of the claim or legal action to  
 36 the person who made the claim or brought the legal action and to the person against whom the in-  
 37 jured person made a claim or brought legal action. In the case of a legal action, a return showing  
 38 service of the notice of election must be filed with the clerk of the court but is not a part of the  
 39 record except to give notice to the claimant and the defendant of the lien of the insurer.

40 (3) If the insurer serves a written notice of the insurer's election under subsection (2) of this  
 41 section and, if applicable, files a return showing service:

42 (a) Subject to ORS 742.544, an insurer has a lien, for not more than the amount of benefits the  
 43 insurer furnished, against an injured person's recovery in an action for damages, less a propor-  
 44 tionate amount of not more than 100 percent of the expenses, costs and attorney fees the injured  
 45 person incurred in connection with the recovery. The proportionate amount must be calculated as

1 the ratio between the amount of the lien before a reduction under this paragraph and the amount  
 2 of the recovery.

3 (b) The injured person shall include the benefits the insurer furnished as damages in a claim or  
 4 legal action.

5 (c) In the case of a legal action, the action must be taken in the name of the injured person.

6 (4) As used in this section, “makes a claim” means delivers a written demand for a specific  
 7 amount of damages that meets requirements reasonably established by the director’s rule.

8 **SECTION 119.** ORS 742.538 is amended to read:

9 742.538. If a motor vehicle liability insurer has furnished personal injury protection benefits, or  
 10 a health insurer has furnished benefits, to a person who was injured in a motor vehicle [*accident*]  
 11 **crash** and the interinsurer reimbursement benefit of ORS 742.534 is not available under the terms  
 12 of that section, the insurer has not elected recovery by lien as provided in ORS 742.536, and the  
 13 insurer is entitled by the terms of the insurer’s policy to the benefit of this section:

14 (1) Subject to ORS 742.544, the insurer is entitled to the proceeds of any settlement or judgment  
 15 that results from the exercise of any rights of recovery the injured person has against any person  
 16 legally responsible for the [*accident*] **crash**, to the extent of the benefits the insurer furnished less  
 17 the insurer’s share of expenses, costs and attorney fees the injured person incurred in connection  
 18 with the recovery.

19 (2) The injured person shall hold in trust for the benefit of the insurer the amount to which the  
 20 insurer is entitled under this section, which may not exceed the amount of benefits the insurer fur-  
 21 nished.

22 (3) The injured person shall do whatever is proper to secure, and may not prejudice, the rights  
 23 an insurer has under this section.

24 (4) If requested in writing by the insurer, the injured person shall take, in the injured person’s  
 25 name and through any representative the insurer designates who is not in conflict in interest with  
 26 the injured person, such action as is necessary or appropriate to recover the amounts to which the  
 27 insurer is entitled under this section, including amounts for the injured person’s share of expenses,  
 28 costs and attorney fees that the insurer incurred in connection with the recovery.

29 (5) In calculating respective shares of expenses, costs and attorney fees under this section, the  
 30 basis of allocation must be the respective proportions borne to the total recovery by:

31 (a) Benefits the insurer furnished; and

32 (b) The total recovery less the benefits the insurer furnished.

33 (6) The injured person shall execute and deliver to the insurer instruments and papers as are  
 34 appropriate to secure the rights and obligations of the insurer and the injured person as established  
 35 by this section.

36 (7) Any provisions in a motor vehicle liability insurance policy or health insurance policy giving  
 37 rights to the insurer relating to subrogation or the subject matter of this section must be construed  
 38 and applied in accordance with the provisions of this section.

39 **SECTION 120.** ORS 742.542 is amended to read:

40 742.542. Payment by a motor vehicle liability insurer of personal injury protection benefits for  
 41 its own insured shall be applied in reduction of the amount of damages that the insured may be  
 42 entitled to recover from the insurer under uninsured or underinsured motorist coverage for the same  
 43 [*accident*] **crash** but may not be applied in reduction of the uninsured or underinsured motorist  
 44 coverage policy limits.

45 **SECTION 121.** ORS 742.544 is amended to read:

1 742.544. (1)(a) As used in this subsection, “total amount of the recovery” means the amount that  
 2 a person injured in a motor vehicle [*accident*] **crash** recovers from:

3 (A) Underinsured motorist benefits described in ORS 742.502 (2);

4 (B) Liability insurance coverage the injured person receives from other parties involved in the  
 5 motor vehicle [*accident*] **crash**;

6 (C) Personal injury protection benefits or health insurance benefits; and

7 (D) Any other payment by or on behalf of the party that caused the motor vehicle [*accident*]  
 8 **crash**.

9 (b) An insurer may not receive a reimbursement or subrogation for personal injury protection  
 10 benefits or health benefits the insurer provided to a person injured in a motor vehicle [*accident*]  
 11 **crash** from any recovery the injured person obtains in an action for damages except to the extent  
 12 that:

13 (A) The injured person first receives full compensation for the injured person’s injuries; and

14 (B) The reimbursement or subrogation is paid only from the total amount of the recovery in  
 15 excess of the amount that fully compensates for the injured person’s injuries.

16 (2) For purposes of this section, the following rebuttable presumptions apply:

17 (a) The amount of any judgment that an injured person obtains is the amount necessary to fully  
 18 compensate for the injured person’s injuries.

19 (b) An injured person has received full compensation for the injured person’s injuries if the  
 20 amount of the recovery is less than the coverage available to the injured person from the sum of  
 21 benefits paid under another person’s motor vehicle liability policy, under an underinsured motorist  
 22 policy described in ORS 742.502 (2), as personal injury protection payments and from any other  
 23 source of payment from or on behalf of the party whose fault caused the injuries.

24 (c) An injured person has not received full compensation for the injured person’s injuries if the  
 25 injured person recovers an amount that is equal to the coverage available to the injured person from  
 26 the sum of benefits paid under another person’s motor vehicle liability policy, under an underinsured  
 27 motorist policy described in ORS 742.502 (2), as personal injury protection payments and from any  
 28 other source of payment from or on behalf of the party whose fault caused the injuries.

29 (3) An insurer may not deny or refuse to provide benefits that are otherwise available to an  
 30 injured person because of the potential the injured person has to make a claim or bring an action  
 31 against another person or enter into a settlement with another person.

32 (4) A person with whom an injured person enters into a settlement or from whom the injured  
 33 person obtains a judgment in connection with a claim or action may not name an insurer that seeks  
 34 a reimbursement or subrogation under ORS 742.536 or 742.538 as a payee on a check, draft or other  
 35 form of payment in satisfaction of the claim or judgment.

36 (5) An insurer may not delay, withhold or reduce benefits to an injured person because of an  
 37 act or omission for which a third party is or may be liable or as a means of enforcing or attempting  
 38 to enforce a claim for reimbursement or subrogation.

39 (6) An insurer that receives a reimbursement for benefits the insurer provided to an injured  
 40 person shall apply the amount of the reimbursement as a credit against any lifetime maximum ben-  
 41 efit set forth for the injured person in the policy, benefit plan or contract under which the insurer  
 42 paid the benefits.

43 (7) A provision in a policy, benefit plan or contract that permits reimbursement or subrogation  
 44 other than as provided in this section is void and unenforceable.

45 (8) This section does not:

1 (a) Prohibit insurers from coordinating benefits;

2 (b) Limit an insurer's right to seek reimbursement or subrogation to recover, without reduction,  
3 amounts the insurer paid for property damage;

4 (c) Limit an insurer that provided coverage against underinsured motorists from pursuing a  
5 claim against a party at fault; or

6 (d) Require a person to repay more than the amount of personal injury protection benefits that  
7 the person actually received.

8 **SECTION 122.** ORS 742.546 is amended to read:

9 742.546. (1) When a motor vehicle liability insurer obtains a release for bodily injuries within  
10 60 calendar days following [*an accident*] a **crash** from a person who is eligible to receive personal  
11 injury protection benefits under ORS 742.518 to 742.542, the release must state that, subject to the  
12 motor vehicle liability insurer's applicable limits of liability, the rights of an insurer furnishing  
13 personal injury protection to recover payments made for medical benefits from the motor vehicle  
14 liability insurer are not impaired.

15 (2) Nothing in this section impairs the rights of a motor vehicle liability insurer to contest a  
16 recovery claim from an insurer furnishing personal injury protection, based upon liability or the  
17 reasonableness or necessity of medical benefits paid by the insurer furnishing personal injury pro-  
18 tection.

19 **SECTION 123.** ORS 746.265 is amended to read:

20 746.265. (1) Subject to subsection (2) of this section, an insurer may consider the abstract of an  
21 individual's nonemployment driving record under ORS 802.220 when evaluating the individual's ap-  
22 plication to obtain or renew personal insurance, as defined in ORS 746.600, that provides automobile  
23 liability coverage, uninsured motorist coverage, automobile medical payments coverage or automo-  
24 bile physical damage coverage on an individually owned passenger vehicle, including pickup and  
25 panel trucks and station wagons:

26 (a) For the purpose of determining whether to issue or renew the individual's policy.

27 (b) For the purpose of determining the rates of the individual's policy.

28 (2) For the purposes specified in subsection (1) of this section, an insurer that issues or renews  
29 a policy described in subsection (1) of this section may not consider any:

30 (a) [*Accident*] **Vehicle crash** or conviction for violation of motor vehicle laws that occurred  
31 more than three years immediately preceding the application for the policy or for renewal of the  
32 policy;

33 (b) Diversion agreements under ORS 813.220 that were entered into more than three years im-  
34 mediately preceding the application for the policy or for renewal of the policy; or

35 (c) Suspension of driving privileges pursuant to ORS 809.280 (6) or (8) if the suspension is based  
36 on a nondriving offense.

37 (3) Subsection (2) of this section does not apply if an insurer considers an individual's nonem-  
38 ployment driving record under ORS 802.220 for the purpose of providing a discount to the individual.

39 **SECTION 124.** ORS 746.292 is amended to read:

40 746.292. (1) All work done by a motor vehicle body and frame repair shop shall be recorded on  
41 an invoice and shall describe all service work done and parts supplied. If any used parts are sup-  
42 plied, the invoice shall clearly state that fact. If any component system installed is composed of new  
43 and used parts, such invoice shall clearly state that fact. One copy of the invoice shall be given to  
44 the customer and one copy shall be retained by the motor vehicle body and frame repair shop.

45 (2) Before commencing repair work and upon the request of any customer, a motor vehicle body

1 and frame repair shop shall make an estimate in writing of the parts and labor necessary for the  
 2 repair work, and shall not charge for the work done or parts supplied in excess of the estimate  
 3 without the consent of such customer.

4 (3)(a) If crash parts to be used in the repair work are supplied by the original equipment man-  
 5 ufacturer, the parts shall be accompanied by a warranty that guarantees the customer that the parts  
 6 meet or exceed standards used in manufacturing the original equipment.

7 (b) If crash parts to be used in the repair work are not supplied by the original equipment  
 8 manufacturer, the estimate shall include a statement that says:  
 9 \_\_\_\_\_

10  
 11 This estimate has been prepared based on the use of a motor vehicle crash part not made by the  
 12 original equipment manufacturer. The use of a motor vehicle crash part not made by the original  
 13 equipment manufacturer may invalidate any remaining warranties of the original equipment man-  
 14 ufacturer on that motor vehicle part. The person who prepared this estimate will provide a copy of  
 15 the part warranty for crash parts not made by the original equipment manufacturer for comparison  
 16 purposes.  
 17 \_\_\_\_\_

18  
 19 (4) [No] A motor vehicle body and frame shop may **not**:

20 (a) Supply or install used parts, or any component system composed of new and used parts, when  
 21 new parts or component systems are or were to be supplied or installed.

22 (b) Supply or install, without the owner's consent, any aftermarket crash part unless the part  
 23 has been certified by an independent test facility to be at least equivalent to the part being replaced.  
 24 For purposes of this paragraph, an aftermarket crash part is at least equivalent to the part being  
 25 replaced if the aftermarket crash part is the same kind of part and is at least the same quality with  
 26 respect to fit, finish, function and corrosion resistance.

27 (c) Charge for repairs not actually performed, or add the cost of repairs not actually to be per-  
 28 formed to any repair estimate.

29 (d) Refuse any insurer, or its insured, or their agents or employees, reasonable access to any  
 30 repair facility for the purpose of inspecting or reinspecting the damaged vehicle during usual busi-  
 31 ness hours.

32 (5) As used in ORS 746.287 and this section, "aftermarket crash part" means a motor vehicle  
 33 replacement part, sheet metal or plastic, that constitutes the visible exterior of the vehicle, includ-  
 34 ing an inner or outer panel, is generally repaired or replaced as the result of a [*collision*] **crash** and  
 35 is not supplied by the original equipment manufacturer.
