(4) The Department of Consumer and Business Services shall deposit moneys collected pursuant to subsections (2) and (3) of this section, and any accrued cash balances, into the Workers' Benefit Fund. Subject to the limitations in subsections (2) and (3) of this section, the amount of the hourly assessments provided in subsections (2) and (3) of this section annually may be adjusted to meet the needs of the Workers' Benefit Fund for the expenditures of the department in carrying out the department's functions and duties pursuant to subsection (7) of this section and ORS 656.445, 656.622, 656.625, 656.628 and 656.630. If the department determines that the balance of the fund will fall below the balance required under this subsection, the department shall devise and report to the Workers' Compensation Management-Labor Advisory Committee a plan to increase the balance to the required amount. The department may set the assessment rate at a higher level if the department determines that a higher rate is necessary to avoid unintentional program or benefit reductions in the time period immediately following the period for which the rate is being set.

(6) Every employer required to pay the assessments referred to in this section shall make and file a report of employee hours worked and amounts due under this section upon a combined report form prescribed by the Department of Revenue. The report must be filed with the Department of Revenue:

(a) At the times and in the manner prescribed in ORS 316.168 and 316.171; or

(b) Annually as required or allowed pursuant to ORS 316.197 or 657.571.

(7) There is established a Retroactive Program for the purpose of providing increased benefits to claimants or beneficiaries eligible to receive compensation under the benefit schedules of ORS 656.204, 656.206, 656.208 and 656.210 that are lower than currently being paid for like injuries. However, benefits payable under ORS 656.210 may not be increased by the Retroactive Program for

claimants whose injury occurred on or after April 1, 1974. Notwithstanding the formulas for computing benefits provided in ORS 656.204, 656.206, 656.208 and 656.210, the increased benefits payable under this subsection must be in such amount as the director considers appropriate. The director annually shall compute the amount which may be available during the succeeding year for payment of such increased benefits and determine the level of benefits to be paid during such year. If, during such year, it is determined by the director that there are insufficient funds to increase benefits to the level fixed by the director, the director may reduce the level of benefits payable under this subsection. The increase in benefits to workers is payable in the first instance by the insurer or self-insured employer subject to reimbursement from the Workers' Benefit Fund by the director. If the insurer is a member of the Oregon Insurance Guaranty Association and becomes insolvent and the Oregon Insurance Guaranty Association assumes the insurer's obligations to pay covered claims of subject workers, including Retroactive Program benefits, the benefits are payable in the first instance by the Oregon Insurance Guaranty Association, subject to reimbursement from the Workers' Benefit Fund by the director.
