SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

Requires Oregon Health Authority to seek federal approval of amendment to state Medicaid demonstration project to permit coordinated care organizations to use portion of global budgets to improve health equity, improve overall health of community or enhance payments to providers who advance health equity or provide services improving overall health of community and to allow such expenditures to be counted as medical expenses [*for purposes of required medical loss ratio*] **in coordinated care organization's base medical budget and in calculation of global budget and flexible spending for given year.**

Takes effect on 91st day following adjournment sine die.

A BILL FOR AN ACT

1
2 Relating to health care expenditures; and prescribing an effective date.

3 Whereas addressing health inequities is critical to achieving health equity in this state; and

4 Whereas health equity means all people can reach their full health potential and well-being and
5 are not disadvantaged by their race, ethnicity, language, disability, gender, gender identity, sexual
6 orientation, social class, intersections among these communities or identities or other socially de-
7 termined circumstances; and

8 Whereas increasing access to mental health care is vitally important to achieving the health
9 goals of this state; and

10 Whereas achieving health equity requires the ongoing collaboration of all regions and sections
11 of this state, including tribal governments, to address the equitable distribution or redistribution of
12 resources and power and to recognize, reconcile and rectify historical and contemporary injustices;
13 now, therefore,
