CHAPTER

AN ACT

Relating to unemployment insurance; creating new provisions; amending ORS 657.439, 657.458, 657.462, 657.463 and 657.805; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 657.458 is amended to read:

657.458. As used in this chapter unless the context requires otherwise:

(1) "Adjusted average weekly check amount" means the average weekly check amount in a calendar year plus one-half of the increase in the maximum weekly benefit amount plus one-half of the increase in the minimum weekly benefit amount from the week including July 4 immediately preceding such calendar year to the week including July 4 immediately following such calendar year.

(2) "Average monthly employment" means the total number of persons employed in each month for 12 consecutive months, as reported by employers subject to the tax under this chapter, divided by 12.

(3) "Average weekly check amount" means the gross amount of benefit payments, excluding extended benefits, made during a 12 consecutive month period, divided by the number of such weekly payments made to all individuals receiving benefits under this chapter during that period. The number and amount of payments made under section 11, chapter 2, Oregon Laws 1982 (first special session), shall be excluded from the computation under this subsection.

(4) "High benefit cost period" means the 12 consecutive month period in the last [10] **20** completed calendar years in which the benefit cost rate was the highest. The benefit cost rate is determined by dividing the amount of benefits paid attributable to employers subject to the tax, during any 12 consecutive months within the [10-year] **20-year** period by total wages, as defined in ORS 657.105, reported by all employers subject to the tax for the four consecutive calendar quarters that include the quarter in which the 12 consecutive month period ended. All benefits paid from the Unemployment Compensation Trust Fund attributable to employers subject to the tax, including but not limited to the Oregon share of extended benefits and any special state additional benefits, shall be included in the amount of benefits under this subsection. **For purposes of making determinations under this subsection, calendar years 2020 and 2021 shall not be included, and shall not count toward the total number of years, in any 20-year period.**

SECTION 2. Sections 3 and 4 of this 2021 Act are added to and made a part of ORS chapter 657.

SECTION 3. (1) Notwithstanding ORS 657.430, the actual experience of the employing enterprises of an employer used to determine the tax rates applicable to the employer for calendar year 2020 shall be used to determine the tax rates applicable to the employer for calendar years 2022, 2023 and 2024.

(2) Notwithstanding ORS 657.435, if an employer's tax rate was assigned under ORS 657.435 for calendar year 2020, the tax rate so assigned shall be the employer's tax rate for calendar years 2022, 2023 and 2024.

SECTION 4. (1)(a) Notwithstanding ORS 657.515, an employer whose tax rate for calendar year 2021 was at least 0.5 percentage points, and not more than 2.0 percentage points, greater than the employer's tax rate for calendar year 2020 may defer the payment of up to one-third of the taxes due for calendar year 2021 until June 30, 2022, without accruing interest or penalties on the deferred amounts.

(b) Amounts deferred under this subsection and not forgiven under subsection (2) of this section become subject to ORS 657.515 beginning on July 1, 2022.

(2) If the increase in the tax rate described in subsection (1) of this section was:

(a) More than 1.0 percentage point and not more than 1.5 percentage points, 50 percent of the deferrable amounts shall be forgiven.

(b) More than 1.5 percentage points and not more than 2.0 percentage points, 75 percent of the deferrable amounts shall be forgiven.

(3) An employer whose tax rate for calendar year 2021 was more than 2.0 percentage points greater than the employer's tax rate for calendar year 2020 shall have one-third of the taxes due for calendar year 2021, including any interest or penalties on the taxes, forgiven.

(4) An employer is not eligible for deferral or forgiveness of taxes under this section unless the employer:

(a) Files all wage reports due under ORS 657.571 for calendar year 2021 in a timely manner;

(b) Pays all tax liabilities imposed under ORS chapter 657 for calendar year 2021 that are not deferred or forgiven in a timely manner; and

(c) As of January 1, 2021:

(A) Had paid all outstanding unemployment insurance taxes and related liabilities; or

(B) Had paid all outstanding amounts due according to the terms of a payment plan accepted by the Director of the Employment Department for repayment of all outstanding amounts described in subparagraph (A) of this paragraph.

SECTION 5. Sections 3 and 4 of this 2021 Act are repealed on January 2, 2032.

SECTION 6. ORS 657.439 is amended to read:

657.439. (1) Notwithstanding the tax rate imposed by ORS 657.462 and notwithstanding ORS 657.463, for wages paid during the first calendar quarter of each odd-numbered year, the tax rate paid by each employer subject to those provisions of law shall be determined in accordance with schedule I C, II C, III C, IV C, V C, VI C, VII C or VIII C, whichever schedule is determined pursuant to ORS 657.459 and 657.462 to be in effect for the year. The schedules are adopted as follows:

(2) Notwithstanding the tax rate imposed by ORS 657.462, each employer subject to this chapter, other than employers whose assigned tax rate is 5.4 percent, shall pay to the Employment Department, for the first calendar quarter of each odd-numbered year, an amount equal to:

(a) Three one-hundredths of a percent of wages subject to tax under this chapter for that calendar quarter. All such moneys shall be paid and collected in the same manner and at the same time as unemployment compensation taxes under this chapter, unless the Director of the Employment Department prescribes otherwise. After deduction of the actual shared costs of the department in collecting the amounts under this paragraph, all such moneys shall be paid into the Wage Security Fund. Except as provided in paragraph (b) of this subsection, moneys due pursuant to this section but not received by the department for payment to the Wage Security Fund by June 30 of each odd-numbered year shall be paid into the Unemployment Compensation Trust Fund; and

(b) Nine one-hundredths of a percent of wages subject to tax under this chapter for that calendar quarter. All such moneys shall be paid and collected in the same manner and at the same time as unemployment compensation taxes under this chapter, unless the director prescribes otherwise. After deduction of the actual shared costs of the department in collecting the amounts under this paragraph, all such moneys shall be paid into the Supplemental Employment Department Administration Fund.

SECTION 7. ORS 657.462 is amended to read:

657.462. (1) The Director of the Employment Department or the director's authorized representative shall, for each calendar year, compute a benefit ratio for each employer who meets the requirements of this section. For an employer whose record has been chargeable with benefits throughout the 12 preceding calendar quarters ending on the computation date, the benefit ratio shall be a quotient obtained by dividing the total benefit charges to the employer's record in the 12 calendar quarters by the total of the employer's taxable payrolls for the same 12 calendar quarters. For an employer whose record has been chargeable with benefits for at least four or more consecutive calendar quarters but less than 12 consecutive calendar quarters and ending on the computation date, the benefit ratio shall be the quotient obtained by dividing the total benefits charged to the employer's record for the consecutive calendar quarters by the total of the employer's taxable payrolls for the same period. Benefit ratios shall be carried out to the sixth decimal place.

(2) A listing shall be prepared of all employers meeting the requirements of this section and whose account is open according to Employment Department records as of August 31 following the computation date. This listing shall start with the employer having the lowest benefit ratio and progress through the employer having the highest benefit ratio. The listing shall show for each employer:

(a) The benefit ratio;

(b) The taxable payroll for the four calendar quarters immediately preceding the computation date; and

(c) A cumulative total consisting of the sum of the employer's taxable payroll and the taxable payroll of all other preceding employers on the list.

(3) The department shall group all employers in accordance with the cumulative taxable payroll percentage limits for the schedule in effect under Table A. All employers who fall within the same group will be assigned the tax rate for that group. However, if the grouping results in the taxable payroll of an employer falling in two groups, the employer and any other employer with the same benefit ratio shall be assigned the lower of the two applicable rates. Fractions of a cent will be dropped in computing taxable payroll limits used in Table A. The schedule in effect shall be in accordance with the Fund Adequacy Percentage Ratios set forth in Table A.

657.463. (1) Notwithstanding the tax rate imposed by ORS 657.462 and subject to the tax rate imposed by ORS 657.439, for wages paid during a calendar quarter, the tax rate paid by each employer subject to ORS 657.435 and 657.462 shall be determined in accordance with schedule I B, II B, III B, IV B, V B, VI B, VII B or VIII B, whichever schedule is determined pursuant to ORS 657.459 and 657.462 to be in effect for the year.
