25 (a) A summary of existing state and federal statutes relevant to monitoring softwar	24	(4) The study conducted under this section shall include:
	25	(a) A summary of existing state and federal statutes relevant to monitoring software

that may be used in education. 1 2 (b) A review of automated video-based monitoring software that may be used in education. In this review, the office shall study: 3 (A) The types of automated video-based monitoring software available to, or currently 4 used in, education, including: 5 (i) The purpose of the software; 6 (ii) The information collected and used from the software; 7 (iii) How information from the software is shared; and 8 9 (iv) Who receives information collected from the software; (B) Ways that monitoring software could potentially benefit school districts, students and 10 students' families, including assisting with the provision of education or the administration 11 12 of assessments or protecting the health, safety and welfare of students; (C) Ways that monitoring software could potentially be harmful to school districts, stu-13 dents and students' families, including whether the software could exacerbate harm to cur-14 15 rently and historically underserved and underrepresented students; and 16 (D) The financial impact of monitoring software on school districts. (c) Recommendations for policies related to the use of video-based monitoring software 17that may be used in kindergarten through grade 12 educational settings and that take equity 18 into consideration. 19 (5) The Legislative and Policy Research Director may enter into a contract with a private 20or public entity for the purpose of conducting the study required under this section. 21

(6) The office shall produce a summary of the study conducted under this section to enable state and local leaders to consider policy issues and to make policy decisions. The office
shall provide the summary to an interim committee of the Legislative Assembly related to
education no later than September 1, 2022.

26 <u>SECTION 2.</u> Section 1 of this 2021 Act is repealed on December 31, 2022.

27 <u>SECTION 3.</u> This 2021 Act being necessary for the immediate preservation of the public 28 peace, health and safety, an emergency is declared to exist, and this 2021 Act takes effect 29 on its passage.
