1 **“SECTION 4.** ORS 469.239 is amended to read:

2 “469.239. (1) Except as provided in subsection (2) of this section, a person
3 may not install a new [*commercial clothes washer, commercial prerinse spray*
4 *valve, commercial refrigerator or freezer, illuminated exit sign, single-voltage*
5 *external AC to DC power supply, state-regulated incandescent reflector lamp,*
6 *torchiere, traffic signal module, automatic commercial ice cube machine, metal*
7 *halide lamp fixture, unit heater,*] bottle-type water dispenser, commercial hot
8 food holding cabinet, compact audio product, digital versatile disc player,
9 digital versatile disc recorder, portable electric spa, [*walk-in refrigerator,*
10 *walk-in freezer,*] television, inductive charger system, large battery charger
11 system, small battery charger system, [*or*] high light output double-ended
12 quartz halogen lamp, **high color-rendering index fluorescent lamp,**
13 **computer, computer monitor, commercial fryer, commercial steam**
14 **cooker, commercial dishwasher or residential ventilation fan** for com-
15 pensation unless the energy efficiency of the new product meets or exceeds
16 the minimum energy efficiency standards specified in ORS 469.233.

17 “(2) A person may install a new product not meeting efficiency standards
18 specified in subsection (1) of this section if the product is:

19 “(a) Installed in a mobile or manufactured home at the time of con-
20 struction; or

21 “(b) Designed expressly for installation and use in recreational
22 vehicles.”.

23 On page 18, delete lines 25 through 32 and insert:

24 “(3) Notwithstanding ORS 469.229 and 469.233 and the requirements of
25 subsection (2) of this section, and after consultation with the appropriate
26 advisory boards to the Department of Consumer and Business Services, the
27 director may adopt rules to update the minimum energy efficiency standards
28 or test methods specified in ORS 469.233 to a more recent version, including
29 any product definitions associated with the standard or test method, if the
30 director determines that the standard or test method needs to be updated to

1 maintain or improve consistency with other comparable standards in other
2 states. Rules adopted under this subsection shall take effect on or after the
3 effective date of a similar standard or test method adopted by another
4 state.”
