

I am in opposition of HB2543. This is a needless Bill as the current law works. The State Police need to have stable funding For the background checks and complete them on time.

This Bill just serves as a method to take away 2nd Amendment rights from citizens. We should not be working to take away these rights from honest citizens. This Bill will not have any effect on criminals as they generally get guns through already illegal methods.

I urge you to kill this Bill.

Respectfully,
