

SNEAKY!! Very sneaky! Introducing a 1/2 page bill with 48 pages of amendments you have to dig to find. Shame on you Rep. NOSSE! SHAME ON YOU! We The People are not allowed into the Capitol, we have to navigate through websites and clicks to try and get to where we can submit testimony or speak. For you to pull this chicken poop, back-door, non-transparent, trick, well, we deserve better!

Your actions speak volumes, Sir.
