

My name is Sheila Sweeney. I am a female logger and owner of Sweeney Logging.

**I strongly oppose HB2674.**

This bill will bankrupt my small timber harvesting business. The price of fuel and gasoline has increased every single day for the last 40 days! This is outrageous!! Soon, I will not be financially able to fuel my equipment to process timber lands to supply lumber, paper products, wood products for the American people and beyond. The rise in fuel prices, insurance premiums, and all the **TAXES** will completely shut down my business.

The lumber prices are out the roof, but that revenue does NOT trickle down to the logger or the log trucking industry. We are all still at the bottom of the totem pole and it will ravage us all.

All us loggers are struggling as it is to keep our businesses afloat and HB2674 will completely take us down. This does not affect just **LOGGERS** but also **FARMERS, RANCHERS, TRUCKERS, FISHERMEN, CONSTRUCTION WORKERS OF ALL TRADES, AND MORE -- ALL OF US ESSENTIAL WORKERS!!! THIS BILL IS A DIRECT ATTACK ON US ALL.**

**NO ON HB2674**
