

I am an owner of a piece of property in Salem, OR. First of all, I don't know how you could schedule such a meeting on such short notice. I am guessing that you are hoping that landlords will be unable to respond so quickly. More notice should be given. Be that as it may, I oppose SB-282 as this has been a financial hardship on landlords as well as tenants. Additionally, SB 282-1 does not address the root cause of the COVID-19 housing crisis which is the inability to pay rent. This catastrophic emergency is being used to change laws unrelated to keeping people housed during this crisis. I ask you to oppose SB 282 and instead focus on the number one issue driving housing instability right now and that is past due rent. Additionally, support SB 330, a real solution for struggling renters who need help. Thank you for your consideration. Angela Moran
