**Re: I OPPOSE [HB 2814]...It is time to "Vote" most of the Oregon Legislature out of Office.**

Again, how many VOTERS in the; Agriculture, Timber, Mining, Fisheries, Construction, Trucking, Grocery Industries and just about everyone else in Oregon; who are materially affected by taxes on Diesel engines, do you want to "Piss-Off?"

Now add all of Oregon's Fishing Fleet, Recreational Boaters and Hunters.

I almost forgot; Pilots, Police, Fire Department Engines, Ambulances and...the list keeps growing longer.

Is there anyone the Legislature left out of this ever growing environmental love fest?

The notification requirements as seen in the, "**Text: [Page 1 at (16-20)]**" are sure going to make people happy.

**[HB 2476]** is worse than **[HB 2165 (which I also OPPOSE)]** now add **[HB 2814]**.

*Respectfully submitted,*
