Re: I SUPPORT [HB 2015] and [HB 2294]...Tax'em baby, Tax'em till they bleed dry.

I OPPOSE [HB 2014]...Don't permit cities to become, "Marijuana Tax Junkies," (like the State of Oregon).

In re [HB 2015]: Jack-up the taxes to the moon and back. *The cost of space travel is going up.*

In re [HB 2294]: Will [HB 2294] be used as a variation of price control and cost stabilization?

In re [HB 2014]: Taxes should be retained by the State for additional Appropriations to:

- Debt service
- The Land Use Board of Appeals
- The Commission for the Blind
- Increasing internet access in rural areas
- Wildfire suppression
- Department of Water Resources Hydrology studies of ground water availability.

Respectfully submitted,

/s/ David S. Wall
