Re: I OPPOSE [SB 282] and [SB 79]...WITH EXTREME PREJUDICE!

In re [SB 282]: Eviction Moratorium extended to February 28, 2022 and the other "freebies" incorporated by reference in the (-1) Amendment dooms this piece of legislative crap.

There should be legislation to prohibit communist legislators from enacting legislation intended to "buy votes" by those who will benefit from the proposed legislation.

In re [SB 79]: Governor Brown continues to institutionalize by way of incorporation of systemic racism into Oregon law. Check-out the, "**Text: [Page 1 at (6-16)]** " for starters, but, read the entire "Text" to fully appreciate the Governor's race biased legislation.

Governor Brown continues to separate and divide society by racial application of law in lieu of "equal treatment" for everyone (read the 14th Amendment to our sacred Constitution of the United States of America.).

No "race card" use should be tolerated anywhere in our nation.

Respectfully submitted,
