

This is wrong and bullying tactics. Shame on the democrats for throwing a tissy fit over something you started doing first and it wasn't very long ago. Guess who led those denials of quorum to get their way? None other than one Mrs. Kate Brown. My how you lot sure have short memories. The difference is what the Republicans have denied quorum over was related to unconstitutional bills. Don't be bullies and tyrants. Vote NO on SB-261.
