

i vehemently oppose HB 2510. What in the world. You all took an oath to uphold the Constitution and in the Constitution it very clearly states that "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed." Well, I think you continue to infringe on our rights to keep and bear arms.

This bill would criminalize otherwise law abiding citizens and make it easier for actual criminals to take advantage of everyday people. The government has NO right to tell me what I can and can't do in my own home, much less where and how I store my gun. If some armed robber broke into my home, who do you think would make it out alive if I was abiding by this ridiculous law? This is insanity. I oppose HB 2510.
