

Please support HB 2052 which requires school district to allow students to wear Native American items of cultural significance at public school events, including high school graduation. This upholds tribal sovereignty, an obligation of state governments. It also respects the traditional, spiritual beliefs of Indigenous peoples.

HB 2052 is more than a symbolic step toward closing racial disparities. It celebrates cultural diversity which contributes to a more welcoming learning environment. When students feel welcome, they are more inclined to show up more often and stay through graduation.

Please vote to support HB 2052. Thank you.
