

Please say yes to HB 2740

My name is Steve Brown, I'm a liquor agent for store 1198 Salem Battlecreek. Being a agent for the State for 15 years we have seen our fixed cost skyrocket, government mandated policy ie: minimum wage, paid sick leave, rents and insurance costs has taken a large bite out of our personal investment in our stores. The commission schedule to agents have not been updated for 34 years.... The time is NOW to adjust inequities that currently exist and preserve and grow revenue to the State of Oregon.

Please vote YES

Sincerely,

Steve Brown
