

Dear Committee:

The following paragraphs were written by another person, however, they express my PERSONAL and STRONG support for HB 2555 & HB 2695. Please STOP insensitive ABUSE of the Willamette River and its habitats!

I urge you to support HB 2555 and HB 2695 to protect the nurseries of the river. These nurseries, that create habitat and food for many river species, are the very nearshore areas that are harmed by artificial waves generated by some towed water sports boats.

By passing HB 2555 and HB 2695, we can limit the huge weight of towed water sports boats to 4,000 lbs (which should be river-wide), and can create a more representative OSMB to better incorporate protection of the nurseries of the river, protect private property, and protect other river users.

Today these boats are far too big, and the OSMB is too limited in its representation.

Thank you for supporting these two bills.

Sincerely,

Alan Platt & Sherri Platt, 819 SE Miller St, Portland OR 97202
