

Oregon Student Association

Dear Chair Power, Vice-Chairs Bonham and Sollman, and Members of the House Energy & Environment Committee,

My name is Andrew Rogers, I am the Executive Director of the Oregon Student Association, and I am asking you to support HB 2488.

It is long past time that Oregon gets serious about the intersections of equity, the environment, land use, and the wellbeing of Oregonians. HB 2488 helps us get there.

OSA represents college students in Oregon, and many of our student members feel passionate about Environmental Justice as they see the impacts it has on their communities, especially BIPOC communities, as well as seeing the implications of climate inaction for their future.

I urge members to vote yes on HB 2488. Thank you for your consideration.

Sincerely,

Andrew Rogers
OSA Executive Director
