3. No, How do I register?
4. I would if I knew how.
5. My voice even as small as it is could be joined with other voices to be heard. That would give me reason to stay active in the community and even encourage others to be heard.
6. I've done ten prison sentences and on every one always knew I would return, this time is different I'm doing school, college and training I'm building a systematic life, Paralegal x2 certified and desire to change.
