RE: In support of SB571, HB2366

3/2/21

Dear Sir, or Madam,

I am a service-connected war veteran who fought in the Vietnam Tet Offensive in the Iron Triangle the year of 1968. I'm in prison because there were no witnesses at my home 53 miles in the country when I needed them.

I feel I should have the right to vote because I fought for that right, and as a citizen, have had no police record all of my life, and while incarcerated, have maintained a good conduct record for the past 19 years, even though the O.D.C. does not honor that.

I truly hope you succeed in getting these bills passed. Thank you for the effort you're putting into it.

Sincerely,
Nathan C. Jollish
