

How discriminatory are you going to get? What defines Wake Boat. Again you are wanting to Tax us into submission, beat us down, for what, so you can feel good about yourselves. You think you know best but do you really? What is the money going to go to Public transportation? Fish and Game? Or you just want to pass is to put into the general fund because you can't budget and closed the state and now are at a down fall in the economy because you collect taxes from incomes as main source for the state budget.
