

"The US Constitution Bill of Rights guarantees that "the right of the People to keep and bear arms shall not be infringed."

HB 2510 is an egregious infringement of the People's rights as elucidated in the Second Amendment.

It appears the Democrat majority is drunk with power attained through gerrymandering and vote manipulation, and the People who they are supposed to serve are now left watching a daily train wreck of leftist policy advances that have no relationship to the population majority, who still embrace the principles of freedom and liberty enshrined in the constitutions of both the US and the State.

The People demand that our elected SERVANTS return to an attitude of SERVITUDE and immediately stop the steady firehose flow of leftist policy. It is immoral, and we are all done watching helplessly as you continue to steal our liberty. This will not stand.
