

Committee members,

My name is Anna Kemper and I live in Portland, OR (97211). I am writing to express strong support for SJM2 and SJR10.

It is absolutely reprehensible that as a state and country we are currently legally permitted to enslave incarcerated persons, forcing them to work for very little or no pay whatsoever. This must end, now. The state of Oregon should be a leader in this battle against white supremacy and racism. Please consider voting in favor of SJM2.

Thank you for your time.

Anna Kemper
