

Chair Bynum, Vice Chairs Noble and Power, and Members of the House Committee on Judiciary,

My name is Mason Drummond and I am a sixteen year old living in Portland. I am writing to express strong support for House Bill 3112. BIPOC communities have faced (and continue to face) enormous and traumatic hardships as a result of the War on Drugs. It is common sense that cannabis tax revenue should be used to support Oregon's BIPOC communities who have suffered (and continue to suffer) immensely from the recent history of cannabis criminalization in Oregon. Thank you for your time.
