To: House Subcommittee on Equitable Policing; others

**Re: I OPPOSE [HB 3355]...This piece of legislative crap should be renamed as, "the protestor's lamentations."**

[HB 3355] represents yet another waste of taxpayer's resources.

[HB 3355] subjects Police Officers to attacks at their homes by anarchist groups using doxed information.

It is hard for me to fathom, a former Police Officer with a distinguished career of service to our state and nation would be associated with legislation supporting the rioters in Portland false cries of abuse.

Such conduct, by the learned scholar and Senator can only be described as, "self-serving" and "politically motivated" to appear to be a genuine champion of; a Black Marxist group, the Urban Terrorists and other members of the criminal element who terrorized Portland for many, many nights.

Remember, the Oregon State Police refused to give "mutual aid" to the Portland Police Bureau as a direct response to the Multnomah District Attorney refusing to charge rioters.

I have never and I mean never witnessed a pristine Police Agency, The Oregon State Police refuse to give and provide "mutual aid." I support the OSP to the hilt. Why should OSP Officers risk life and limb for the City of Portland. Portland has turned into a pathetic "sh\*t hole" under; the Mayor, City Council, all the State Senator's, Representative's and Governor Brown's incompetent and embarrassing lack of leadership.

And now, after all of the legislative attempts to introduce the "institutionalization of systemic racism" into Oregon law by the same learned Senator and his loser buddy from Portland, [HB 3355] serves to put Police Officer's lives in jeopardy to satisfy the alt-left's hold on Oregon.

By the way, how is Portland these days?

How many shootings and murders are now commonplace?

How many reoccurring acts of vandalism?

How many assaults?

How is the home burglary rate?

How much business tax revenue has Portland lost?

How many businesses in Portland have been dropped by their insurance companies?

And you folks want to waste time and money screwing around with Police Officer's uniforms.

***Respectfully submitted,***
