Position on Bills at 2021 Session of Oregon Legislature:

Dear Committee: **SB 765: Support but needs
amendment**

The Oregon Progressive Party and Independent Party of Oregon support this bill, which allegedly "Makes permanent provisions allowing notary public to perform notarial act using communication technology for remotely located individual under certain circumstances."

That would be a laudable objective. But we do not see anything in the text of SB 765 that accomplishes that. Nor is there any published proposed amendment to SB 765.
