

FAIR

FIGHTING
AGAINST
INCREASED
INSURANCE
RATES FOR
OREGONIANS

Supporters of our coalition have been contacting legislators since January 2021 to express their opposition to creating an additional “bad faith” cause of action for insurance claims such the provisions in House Bill 3171 and 3272. To date, over 6,405 Oregonians have taken the time to contact their legislators on this issue. The following list includes the first name and hometown of each of those individuals.
