

To the Members of the House Committee on Agriculture and Natural Resources,

I support AB 2695. This bill, by expanding the State Marine Board to seven voting members and two non voting members, will incorporate a wider diversity of points of view to the SMB. Currently, the SMB directors are primarily oriented toward the recreational uses of Oregon's waterways. A better balance of viewpoints will only strengthen the SMB to the benefit of all Oregonians. Thank you for supporting AB 2695.
