Re: I OPPOSE [HB 2681]...*Good idea but, [HB 2681] needs more work.*

"Text," [HB 2681] exert: "SECTION 4. Notwithstanding any other provision of this chapter, the registration of an elector may not be considered inactive due to an elector not voting or updating the elector's registration for any period of time." **Do "dead people" get to vote?"**

"Sections (5) and (6)" have too many problems and way too much reliance on the United States Post Office and has unknown costs to the taxpayers to comply with the processing requirements of County Clerks.

Current, accurate voter rolls are imperative.

Keep trying, rewrite and submit for perusal and comment.

Respectfully submitted,
