Re: I OPPOSE [SB 758]...*Creation of a complex bureaucracy is not in the best interests of the taxpayers.*

[SB 758] creates a very complex and costly bureaucracy.

Medical Marijuana should be classified as a drug and not dispensed in marijuana dispensaries.

Medical Marijuana Dispensaries require too much administrative headaches and are way too expensive to conduct inspections and record keeping.

Medical Marijuana should be classified as a "drug" and dispensed at any State certified pharmacy in a hospital or drug store.

As usual, there are "No" costs to the taxpayers concerning [SB 758].

**There are "No" Revenue, Fiscal Impact Reports and or a Budget Report.*

**There are "No" ancillary costs to identify and recover administrative fees.*

[SB 758] creates "bigger, bloated costly government."

Save taxpayer's money, get rid of [SB 758].

Respectfully submitted,
