

Tools for Oregon Schools

- *HB2591:*

- *Combination Bill:*

- *SBHC opportunities for 10 districts,*
- *Developing a workable model to use Telehealth to increase services, especially nursing services,*
- *Create a Workable model for Mobile Health Centers*

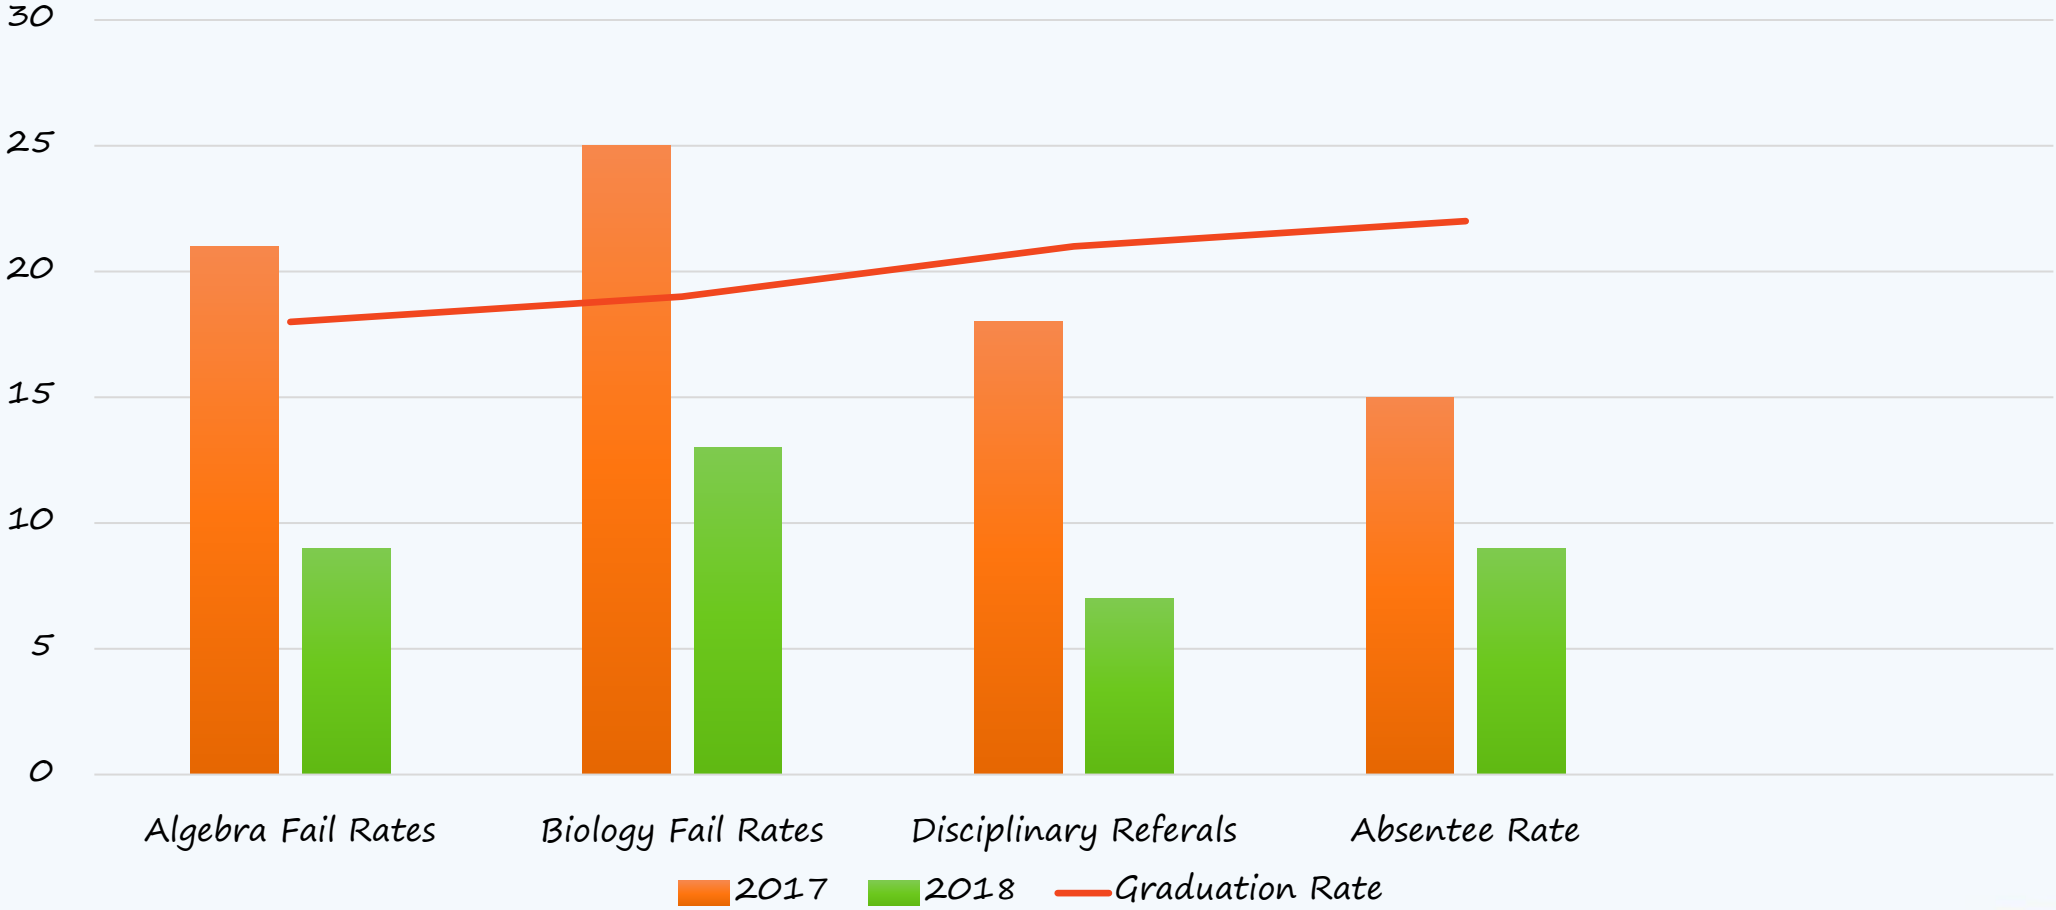

The Legislature Has Doubled # of SBHCs in the Past Decade. Why?

| Leverages | Proven Results |
|------------------------------|---|
| 3 to 1 non-state to state \$ | National Research |
| Medicaid & Private Insurance | Oregon results have proven successful |
| Community support | Link education to health care and community |
