Dear House Committee on Revenue,

I'm writing to urge you to **vote YES on HB 3244** to expand the Oregon Production Incentive Fund (OPIF) from \$14 million to \$20 million. This program is critical to keeping our state competitive for film, TV, commercials, and other digital media.

I have been working as a sound mixer for the last decade, on projects ranging from full scale hollywood feature films, to television, commercial, corporate and documentaries.

Keeping a healthy tax incentive is critical for bringing new projects in, contributing jobs and keeping Oregon's film community employed.

Please **vote YES on HB 3244** to expand OPIF and increase media production jobs and spending in our state.

Regards,

Jebari Dean
