

**The Portland Raging Grannies recorded this song. We are still attempting to enter our performance into testimony but will send the lyrics in case that proves difficult.**

**How much is that Barrel of Oil?**

(to the tune, How Much is that Doggie in the Window)  
By River Montijo and the Portland Raging Grannies

CHORUS: How **much** is that **barrel** of **o-il**?  
The **one** that we **fracked** from the **earth**.  
How **much** is that **barrel** of **o-il**?  
The **price** is much **more** than it's **worth**.

1. We **pay** for that **o-il** with our **taxes**  
In **government su-ubsidies**.  
That **money** should **go** for new **employment**  
Developing **clean** energies.

CHORUS: How **much** is that **barrel** of **o-il**?  
The **one** that we **fracked** from the **earth**.  
How **much** is that **barrel** of **o-il**?  
The **price** is much **more** than it's **worth**.

2. We **pay** for that **o-il** with **pollution**  
And **heating** up **our** **atmosphere**.  
If **we** don't come **up** with a **solution**  
The **cost** to our **planet** is **clear**.

CHORUS: How **much** is that **barrel** of **o-il**?  
The **one** that we **fracked** from the **earth**.  
How **much** is that **barrel** of **o-il**?  
The **price** is much **more** than it's **worth**.

3. We **pay** for that **o-il** with **spillage**  
And **plastic** that **litters** the **land**.  
It's **not** just our **pockets** that we **pillage**  
By **sticking** our **heads** in the **sand**.

CHORUS: How **much** is that **barrel** of **o-il**?  
The **one** that we **fracked** from the **earth**.  
How **much** is that **barrel** of **o-il**?  
The **price** is much **more** than it's **worth**.
