

Subj: HB 2728

Please protect the wildlife of Oregon and do not promote the killing of the coyotes for sport or contests. It breaks my heart to think that this type of senseless killing is awarded with cash and prizes, and to kill as many coyotes as possible. That's just not right. It's a cruel act, and immoral, and furthermore, should not even be considered. Please give our coyotes a fair chance of living in the wild where we can appreciate them by supporting HB 2728.

Thank you for your time.

Sincerely,  
Lynda McMillan
