Re: I Support [SB 306] with a slight modification.

"...Be It Enacted by the People of the State of Oregon:

SECTION 1.

(1) The Department of Veterans' Affairs shall study and make recommendations for policy proposals for the tax treatment of military pensions.

(2) The department shall submit a report on its findings to an appropriate committee of the Legislative Assembly no later than January 1, 2023."

***If this isn't the biggest "buck-passing-piece of legislative crap" I have ever seen.

You folks can't even fess-up and face the veterans who have protected our collective worthless carcasses and make a decision without farming it out to the Department of Veterans' Affairs to make a report on the matter due to the appropriate Committee by January 1, 2023.

Meanwhile, some of our Veterans will be called home to be with Lord Jesus before you even think of getting off of your worthless rumps to even say "Thank-you for your service" to our Heroes and Heroines.

So I have a better idea...No surprise here either.

Here is the modification to **[SB 306]** I vehemently support.

*Military Veterans who have a twenty (20) year and or a thirty (30) year pension should pay exactly ZERO in income tax. That's right...ZERO means ZERO, Zippo, nada, nothing. These pensions should be classified as "Heroes and Heroines Pensions."

You hypocrites give away money to illegal aliens all the time. You even treat drug addicts better than our Heroes and Heroines. You should be ashamed of yourselves!

Better yet, I think you need what is called in all branches of our Military as, "Motivational Training. "I will "Motivate you."

Whereas **[SB 306]** will eventually go into the ages...I'll still be here writing Testimony and maybe supporting your removal from office by the voters...I have nothing but time and desire to make life easier for our Veterans.

By the way...Thank-you Thomas Keyser for protecting my freedom! I also Thank your wife well!

Respectfully submitted,

/s/ David S. Wall
