Re: [HB 2470]...NEUTRAL...If [HB 2145] passes, how many of these wells will have well logs to be reviewed?

[HB 2470] is a really good idea.

How many well logs does the Water Resources Commission plan on reviewing?

What is a reasonable "case load" per month?

If [HB 2145] passes, there could be thousands of well logs submitted for review.

At least the current crop of Commissioners can sleep soundly until July 1, 2022.

Respectfully submitted,
