To Whom it May Concern:

I have spent many afternoons enjoying films at the Salem Cinema over the past several years.

It is always a delight to spend time at this lovely, comfortable, clean, intimate venue, being greeted by the friendly staff, and watching quality films of an independent/artly nature that are sometimes not offered at the mainstream cinemas.

Please consider funding a grant to support Salem Cinema in its post-pandemic recovery. If Salem Cinema were to close, it would mean a tremendous loss to many individual patrons as well as to the cultural community of Salem, of which it has been a part for almost 40 years.

Thank you.

Sincerely,

Linda Simeone
