

Salem Cinema provided much needed relief from the commercial Hollywood movies. Their movies included documentary and foreign films where there was no other venue to see them. Also, if you weren't aware, the only place to view many of the Academy award nominees and winners was at Salem Cinema! Without cinemas like Salem Cinema I would have missed out on so many GOOD films. (Note that I make a distinction between "Films" and "Movies" because I believe Films are informative and Movies are just "entertaining". Our capitol city is so blessed to have a theatre like Salem Cinema and I urge to to support them in the community.

Thank you for your consideration.
