

I urge you to pass this bill. We are an older couple who have enjoyed Salem Cinema and the movies they show which are often not shown in the larger theaters. The size of the theater makes it a very comfortable and easy theater to sit back, relax and enjoy a good movie. It has been heart breaking to watch this little theater struggle to survive with the mandated closure due to Covid and even the current restrictions on crowd size are a handicap to being able to pay bills to keep the theater operating there are heating lighting and insurance bills that need to be paid as well as staff. Please support this Salem gem.
