

Senate Committee

3/21/21

I'm writing for my voice to be heard.
Why allowing good time to be retroactive.

By allowing me good time it allows me to
earn good time based on my past behavior. and
gives me a chance to earn more with good
behavior in my future.

with closing my letter, I just want it
to be known. We must earn our good
time based on good behavior.

Sincerely
Thomas Blodgett #14673030
