

Dear Oregon Representatives:

I strongly support HB 3343 and getting money out of politics.

I support local/state candidates with some money and sharing their values, good work with my friends.

Voters spoke clearly in November, overwhelmingly approving Measure 107. Now is the time to finish the job.

Campaign finance reform should empower democracy, giving more voice to regular people and limiting the ability of the wealthy to dominate the election process.

Our campaign finance system must have transparency and accountability to restore public confidence.

Please assure Oregon Campaign reforms avoid loopholes and other ways to game the system.

Thank you
