Senate Committee on Judiciary
And BALLOT Measure 110 Implementation

To Whom it may Concern;

I Am Writing This Letter To Your Committee As An AIC (Adult in Custody) At E.O.C.I in Pendleton, OR. My Case is A Bit Different Than Some in That i Am here on A Conviction, But i Also Served Time For The Same instance And Crime in Washington State. As Many Others here i Am here on A Mandatory minimum OR A Measure 11. There Are Currently Three Bills in The Senate Regarding Measure 11 reform in Which i Believe is UNCONSTITUTIONAL, So im Praying That it Goes Through. Along with These Bills, one of Which States That if Reformed A RETROACTIVE Decision Could Be instituted. This would Reduce Many here Which i Believe would Benefit Many involved. Measure 11 is A Law That Very few People, And States See As Being fair. I do See it Going Away, however The RETROACTIVITY of Any Reform Should Be GRANTED for Those Currently in STATE facilities. There Are Many here, As well As other facilities who Deserve To EARN Good Time. Many Are older (in Their 60's), And Most Are Level 3 incentive AIC's, Which is The highest of incentive Levels.

Many AIC's That Are here on Measure 11 have nothing To Look forward Too Most Who Are older fear That They will not make it out of here. And if They Do, Where To go is An issue.

When Measure 11 Reform is enacted, Being Retroactive would Give Many A light At The end of A Very Dark Tunnel. If You only knew what exactly Goes on Behind These Walls, You would Agree That Measure 11 is useless. IT Causes Overcrowding, And Many Other issues. Please, Reform Measure 11 And Make it Retroactive, So we Can Move on with What Life we have Left. Thank You, God Bless.

Sincerely,
Mark Smith
