**Re: I OPPOSE [HB 2660]...**DEQ should be performing this function without needing a law to do so.

Providing lists of charges and corresponding updates should be a matter of everyday business.

Why is DEQ not providing such an elementary service?

Why does it take the cost of constructing a state statute to do so?

Maybe we are paying DEQ managers too much money.

*Respectfully submitted,*

/s/ David S. Wall
