

FROM THE DESK OF

Renee Schwartz ND

Unfortunately, NDs are not being fairly compensated for our valuable contributions to healthcare in this great state. This makes it more difficult for people like me to stay in practice and deliver this essential and unique level of care. It also limits access to healthcare for my patients as well as other individuals and families in the community. And for those of us who have been able to stay in practice, we do so at a great economic disadvantage to our peers, making it difficult to repay student loans, raise a family and give back to the community.

I am asking you to vote yes on SB772 and support fair pay for Naturopathic Doctors.

Sincerely yours,
Renee Schwartz ND
