I do my best to be a good representative of the inmates at SRCI and participate in many other projects including making hundreds of "origami cranes". I was also quoted in the local paper, The Argus Observer, August 30, 2017, about our Native American Pow Wow and the purpose of our annual gathering. I appreciate the opportunity to participate in the discussion about SB191 and hope my words and actions will give you a reason to seriously consider "good time" for Measure 11 inmates.

Thank you for your time. Respectfully submitted by
