TO: SENATE COMMITTEE  
ON JUDICIARY AND BALLOT MEASURE  
110 IMPLEMENTATION  
900 COURT ST. N.E., ROOM 453  
SALEM, OR. 97301

My TESTIMONY: March 23, 2021  
How? MEASURE 11 was supposed to be  
designed for REPEAT OFFENDERS. But the  
justice system is taking first time offenders  
and giving them extended sentences, filling  
prisons and putting a larger burden on the  
tax payer. Majority of first time offenders  
would never repeat again, knowing what they  
had to go through the first time.

I feel this why MEASURE 11 needs good time  
in place to put relief on the prison system and  
the tax payer, and re-unite fellows with their  
families. I would like to be back with my wife  
and family.

Why? It is my first time in my life to be in prison.  
I have never even had so much as a parking ticket.

My first counselor at Coffee Creek told me  
that I should have only got 100 months, instead  
I was given 400 months. I just finished my  
first 200 months.

Sincerely Calvin G. Chase
