

To whom it may concern -

I'm in favor of Ballot Measure 191 as it pertains to Good Time, and I think it should be Retro-active, too.

As it pertains to me I was convicted on charges from one incident, and am not a career criminal, as is reflected by my Record, which is a matter of Public Record. My understanding of Measure 11 was to make sure people did not re-commit crimes over and over again NOT that District Attorneys could stack on more charges, which qualified people for Measure 11, and disqualify them for Good Time; which is not fair to those of us who are just caught up in the system.

Allowing us Good Time would soften the blow to those of us who had this type of thing happen. Making it Retro-active would allow Good Time to be applied to those of us already in the system, not just the new measure 11 people.

Sincerely

Timothy R. Holzgroves
